

ACCIDENTS KILL 3 LINCOLNITES

U.S. Plans Pressure On China

Ike Backs Dulles In No-Blockade

Sen. Knowland Awaits An 'Effective Alternative'

WASHINGTON (INS)—President Eisenhower and Secretary of State John Foster Dulles mapped plans Tuesday for the next step in the campaign to win freedom for Americans imprisoned in Red China without going to war.

The two leaders talked for an hour and a half in a special White House conference and afterwards Dulles indicated that the question of how to put pressure on the Chinese to release 13 Americans jailed as spies had been discussed.

DR. FLOYD L. ROGERS

Dr. Floyd L. Rogers Is Found Dead

Former President Of State Medics

Dr. Floyd L. Rogers, 59, former president of the Nebraska State Medical Association, was found dead Tuesday afternoon in the basement of his home, 3015 Stratford.

Death was caused by a self-inflicted shot gun wound in the chest, according to Dep. Co. Atty. Elmer Scheele. Dr. Rogers was found slumped over a table in his photographic dark room with a 12-gauge shot gun under his body.

Mrs. Rogers had gone on an errand downtown about 1 p.m. and found Dr. Rogers dead when she returned shortly before 2 p.m., Scheele said.

Had Been Ill

The Lincoln physician had been ill and confined to his home for about three weeks, Scheele said. Dr. Rogers was chairman of the Lincoln General Hospital joint committee on pharmacy and therapeutics. This committee was largely responsible for devising a formula of 250 to 300 basic chemicals calculated to meet the needs of a physician in prescribing for his patients.

Dr. Rogers was graduated from Northwestern University College of Medicine and had been a practicing physician in Lincoln since 1922, specializing in internal medicine.

He was born Aug. 27, 1895, at Le Mars, Ia., but moved while a youth to Randolph, Neb.

He was a member of the American Medical Association, the American College of Physicians, and the American Board of Internal Medicine.

Headed Many Groups

He was president of the Nebraska State Medical Association in 1944, a former president of the Lancaster County Medical Society, and chairman of the Central Midwest Diabetic Association and member of the American Medical Association.

Maintaining a particular interest in diabetics, Dr. Rogers collaborated with Dr. Ruth M. Leverton, former University of Nebraska nutritionist, on a published book, "Your Diabetes and How To Live With It."

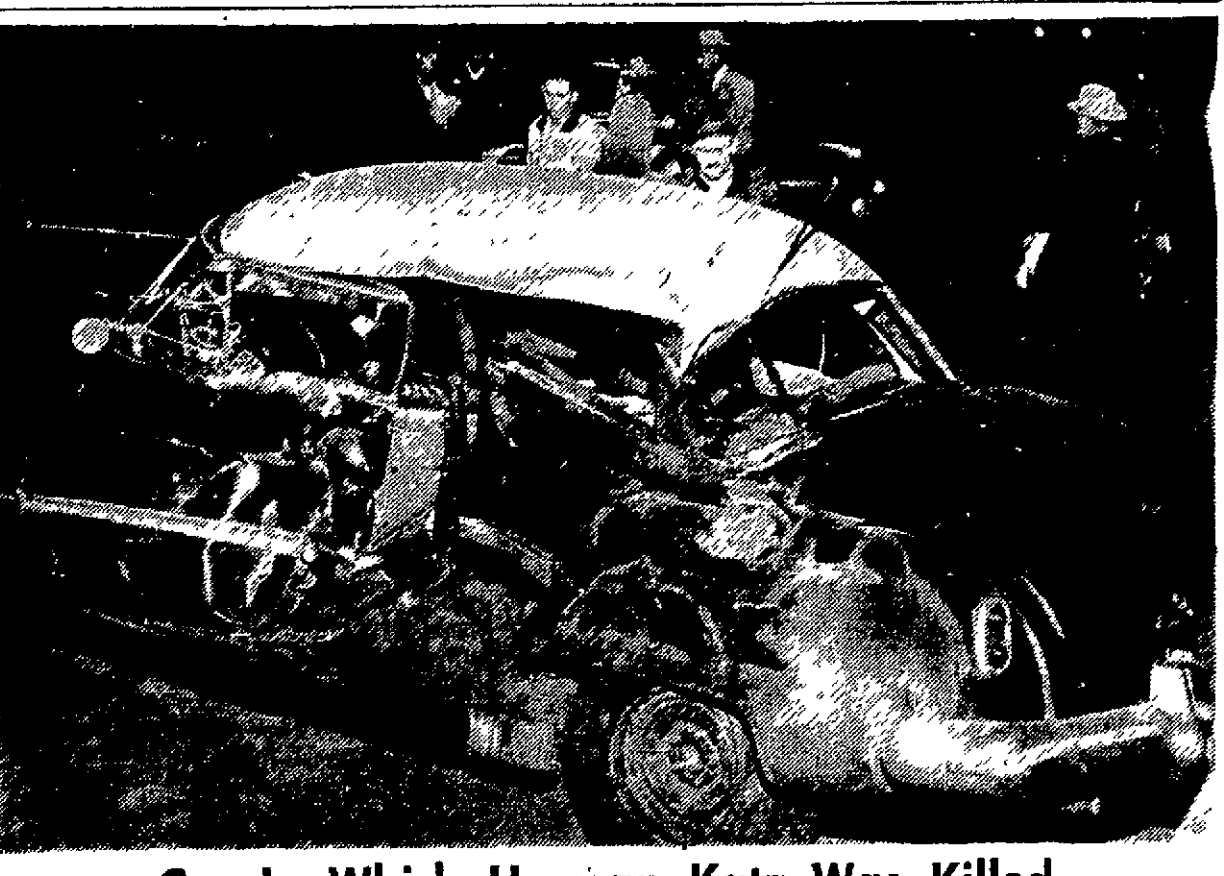

Dr. Rogers was instrumental in the founding of the two-week annual Camp Springdale for diabetic children of the state and had served as medical consultant and lecturer at the camp near Nebraska City.

He was a World War I veteran and a trustee of First Presbyterian church.

He is survived by his wife, Helen; two daughters, Mrs. Caroline Mills of Lincoln, and Ann Rogers at home, two brothers, David M. of Mitchell, S.D., and T. Burton Rogers, of Chico, Calif., and a sister, Mrs. Harold Stephens of Minneapolis, Minn.

Car In Which Herman Katz Was Killed

This is the car which was being driven by Herman H. Katz at the time of a collision which took his life and seriously injured two other Lincolnites. The accident occurred about five miles east of Lincoln on O. (Star Photo.)

West Van Dorn Wreck Injures 3; One Badly

Donald Franks, 39, of 3341 No. 68th, was injured, seriously and two other Lincolnites suffered lesser injuries in a car-truck collision at the intersection of West Van Dorn and Burlington Tuesday.

Franks was reported in "poor condition" suffering from a concussion, possible internal injuries, possible fracture of the left leg and lacerations on the wrist and neck.

He was riding in a northbound car driven by Thomas L. Flackman, 19, of 2138 J, who suffered bruises about the body. Flackman was reported in "good condition" at St. Elizabeth's Hospital where all three were taken.

Driver of the pickup truck, Les Rolfmeier, 30, of Seward, also suffered minor injuries and was reported in "good condition."

Safety Patrolman James Kontos said that the vehicles collided at the intersection. Neither driver saw the other car, Kontos said.

2 Die In Fall From Elevator

Broken Boom Causes Plunge

Lincoln Star Special

MONROE, Neb.—Two workmen plunged 137 feet to their death while descending from the top of a grain elevator here as an elevator employee, helpless, watched in horror.

The men were John Welsh of Columbus, a father of four children, in his fifties, and Henry Bosak of Genoa, 28-30.

The two Roberts Construction workmen were "crushed terribly" when "something broke in the boom" sending the bucket with the men in it crashing to the ground.

The employee, Virgil Gottschal, raced to the tragic scene and felt a slight heart beat coming from Bosak for a time.

Paul Ruppe, the elevator operator and seven other men were stranded at the top of the huge elevator for two hours before a makeshift frame and rope contraption lowered the men safely to the ground.

The dead men were doing finishing work on the head house at the top of the elevator and just started down in a bucket, supported by cables, used to haul cement.

The bucket, waist high to the men and open at the top, was empty of cement at the time.

The wife of the elevator owner said that a piece of scrap iron which one of the cables ran through was found broken on the ground.

State Crashes Hike Fatality Toll By Seven

... Accidents Bring Nebraska Total To 296

Seven Nebraska highway deaths—three of them involving Lincoln residents—raised the Nebraska highway death toll to 296 Tuesday.

The state-wide figure compares to 318 killed on the highways by this time last year.

The latest victims were:

Herman H. Katz, 46, 344 S. 12th, Lincoln.

Earl E. Paul, 51, 1716 E. Platte.

Roger H. Koehne, 31, 6802 Colby, Lincoln.

Virgil H. Davis, 50, North Platte.

Arthur Milby, 84, Fairbury.

Earl H. Grass, about 38, Chadron.

2 Men Die In Head-On Car Crash

Earl R. Paul Is One Victim

Lincoln Star Special

SUTHERLAND, Neb.—Two men, one a Lincoln insurance executive, were killed instantly in a head-on collision 5 miles west of here Tuesday night. Dead were:

Earl R. Paul, 51, of 1716 E. Lincoln.

Virgil H. Davis, 50, of North Platte.

Herman Katz Killed, 2 Hurt In Smash-Up

Wallick Couple Injured In Freak Bridge Crash East Of Lincoln

Herman H. Katz, 46, of 344 So. 26th, a retired jewelry store operator, was killed instantly in a freak two-car accident Tuesday night on the Stevens Creek Bridge at the Walton corner.

And a Lincoln couple riding in the other car, Mr. and Mrs. Roy Wallick, 66 and 61, suffered severe injuries while delivering a death message to friends in Eagle.

Mrs. Wallick was reported in "poor condition" at St. Elizabeth's Hospital early Wednesday morning, suffering from a cerebral concussion, fractures of the right arm and right leg and multiple lacerations and contusions. She was unconscious, hospital authorities reported.

Her husband was reported in "fair condition," suffering from a cerebral concussion, fractures of the jaw and both legs and multiple lacerations and contusions.

Katz Pulled Over

Wallick told Safety Patrolman Claude Whitney that as his east-bound car approached the bridge, about five miles east of Lincoln on O, the Katz vehicle pulled over as if to pass a vehicle Katz was following.

The westbound Katz car, he related to the trooper, then cut back sharply to the north lane of traffic causing the car to turn crossway in the road.

The Wallick car, traveling east, collided with the Katz car exposed broadside. Both cars were nearly demolished but were not overturned in the collision. No skid marks were found by the patrol.

Katz was reported to have been driving alone at the time, Whitney said.

Chill Puts Snowflakes To Flight

First General Snow Up To Nine Inches

By THE ASSOCIATED PRESS.

Colder air was moving into Nebraska Tuesday night in the wake of the state's first general snow storm of the season.

Early Tuesday evening snow had stopped at all reporting points in the state, the Weather Bureau said, as the storm veered off to the northeast.

The forecast indicated winds would diminish during the night and skies would change from mostly cloudy to partly cloudy over the state.

10-15 Range

The mercury was expected to dip to the 10-15 degree range in the northwest and to about 20 in the southeast in the early morning hours, with daytime highs not rising above the 30s.

There was no mention of more precipitation in the immediate forecast, although the five-day prediction indicated precipitation would range up to one-half inch over the state during the period.

The Panhandle area received a good covering of snow, bringing relief to wheat farmers who had seen little moisture the past several weeks.

It was reported that the western snowfall ranged up to 6 inches at Kimball.

9 Inches

At Valentine, 4 inches of new snow fell during the morning, bringing the total for the storm to 9 inches.

Southwestern Nebraska got lesser amounts of snow. Panhandle roads were slippery for a time, as was Highway 20 west of O'Neill and highway 6 from Wameka west.

Roads, both in the northeast and the far west, were reported to be icy and hazardous in spots but none of them were blocked, the Safety Patrol said.

The extended forecast said temperatures through Sunday would average 5 to 10 degrees below normal maximums in the 30s and 40s and normal minimums in the 20s.

U.S. Sales Up; Lincoln, State Have Big Jump

NEW YORK (U)—Retail sales for December probably will reach the highest total in history, \$16,900,000,000, according to a survey by the National Bureau of Economic Research.

Lincoln, Neb., is listed among the cities which will report the biggest increase in sales over a year ago. Nebraska, Kansas and Wyoming are among the states expected to show the strongest gains.

The nation-wide increase represents a jump of 3.1 per cent over the \$16,400,000,000 in December, 1953.

"Foremost factor in this upward turn is the snap-back in general business activity," said the manager.

Drive Along Tracks Avoids Collision

E. G. Daks, 55, of Fremont kept his car from being shoved into a diesel engine at 17th and Holdrege Tuesday by keeping a cool head.

Daks had stopped to allow the Northwestern diesel to pass when a car driven by Kenneth Coy, 21, of 365 Nance collided with the train. The Coy car bounced off and skidded with the Daks car which was shoved toward the engine.

Daks coolly avoided an accident by driving east along beside the train to keep from hitting it until the car stopped.

Police said the car Coy was driving was severely damaged, but no one was injured.

CHIANG KAI-SHEK SAYS:

Plans Are Laid For Invasion

'We Do Not Want U.S. To Have Any Part In Attack On Mainland', Generalissimo Asserts

By MARVIN STONE
(World Copyright 1954 by International News Service. All Rights Reserved.)

TOKYO (Wednesday)—Generalissimo Chiang Kai-shek disclosed today that Nationalist plans for an attack to recapture the Red China mainland have reached the timetable stage. But he declared "frankly we do not want the United States to have any part" in actual warfare on the Asian continent.

Free China's president also revealed that the Eisenhower administration has never tried to "persuade" him not to take retaliatory measures against Communist China for Red attacks on Formosa's outpost islands.

The long-time leader of the Chinese Nationalists made his statements in a series of written replies to questions submitted by International News Service.

The replies, cabled from the Formosan Nationalist capital of Taipei to Tokyo, came within hours after Washington dispatches said President Eisenhower and Secretary of State John Foster Dulles had rejected a proposal by Sen. William F. Knowland (R-Calif) that the U. S. impose actual blockade on Red China.

Other Support Welcomed

While Chiang said his Nationalist armies "have no wish whatsoever" to see America take part in mainland warfare, he emphasized: "The U. S. should support with all her power such countries as are now at war with the Communists."

The veteran generalissimo was asked whether there is a "Nationalist timetable for retaking the mainland" and whether he thought the Communists, too, have a timetable for their off-threatened attempt to invade Formosa, Free China's principal island bastion.

Chiang made it clear the Nationalist plans include a date on which its forces may be ready to launch their amphibious assault across the 100-mile-wide Formosa Strait to land on the mainland. He also expressed the view that the Communist command has a similar date planned for a possible invasion effort against Formosa which is protected by the U. S. 7th Fleet.

"I think it is only natural that both such timetable plans exist," Chiang said.

One-By-One

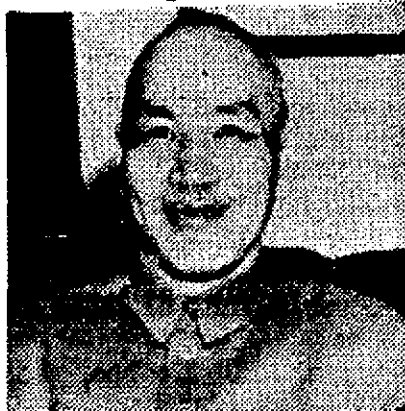

He warned the West that the "major purpose" of Communist pinprick attacks on outlying Nationalist islands "has always been to seize (them) one by one, then take Taiwan (Formosa)." And he declared:

"If an attack is directed against us—whether on Kinmen (Quemoy), the Tachens or any other place—we shall counterattack the mainland wherever, whenever our strategic necessity demands."

Replying to the question of whether the U.S. had attempted to dissuade him from "retaliatory measures" against the Communist-ruled China mainland, Chiang wrote:

"No such 'persuasion' has ever come to my knowledge."

This appeared to scotch reports that Assistant Secretary of State Walter Robertson in October flew

CHIANG KAI-SHEK
... timetable stage reached

to Taipei on a special mission to try to force Chiang to call off bombing attacks against the mainland for fear of provoking an all-out Asian war.

2 Reformatory Escapees Are Apprehended

THEFORD, Neb. (AP)—Two men who escaped from the Nebraska Reformatory in Lincoln were captured Tuesday night as peace officers from several counties closed in on their speeding car.

The men are Elmer Schutz and Robert Nicholson who fled the reformatory Nov. 5.

The two were taken into custody by Sheriff Cecil Avey of Thomas County near Theford. The pair had been spotted by Sheriff Billy Neal of McPherson County. He gave chase and at the same time sheriffs in surrounding counties were notified and moved to block roads in the area.

Avey was notified by the State Safety Patrol that the two men apparently had doubled back after Neal had chased them south.

Avey caught the pair at the junction of Highways 83 and 2.

Both Schutz and Nicholson were sentenced from Lincoln County last August. Schutz on a check charge and Nicholson on an attempted rape count.

News Around The Globe

Barbara Elopes

NEW YORK (AP)—Stork Club owner Sherman Billingsley's 18-year-old daughter has eloped with a photographer. She telephoned her father and gave him the news.

Barbara Billingsley had been missing three days. Billingsley suspected she had eloped and he suspected the groom was John Rogers Christoffers, 28, head of a commercial photography firm, who uses the professional name of John Rogers. Both guesses were right.

Japs Graduate

CAMP MATSUSHIMA, Japan (Wednesday) (AP)—Thirteen Japanese World War II pilots, including one who was in on the Pearl Harbor attack, were graduated into the new U.S.-style air force.

Japanese and U.S. officials disclosed at the air school's graduation ceremonies that Japan's new air force next June will activate three 25-plane squadrons of Sabre-jets supplied by the United States.

Conductor Dies

BERLIN (INS)—Wilhelm Furtwaengler, conductor of the Berlin Philharmonic Orchestra, died of pneumonia Tuesday in Berlin at the age of 68.

Furtwaengler was appointed to his post with the Berlin Philharmonic in 1922 and was musical director of the Berlin State Opera since 1937.

Construction Records Are Shattered

By BILL DOBLER
Star Staff Writer

It took only 11 months in 1954 for Lincoln to shatter all previous year's construction records as November's building cost estimates of \$1,650,054 pushed this year's total costs to date to a record breaking \$13,597,699.

The 1954 November total cost figure is a record high month for the year and leaves only January and February in which construction costs fell below \$1 million.

Over the 11 months period, the construction parade is led by new homes. From January through November of 1954, a total of 1,421 new home permits have been issued for dwellings with a combined estimated cost of \$10,116,967.

These 11 months home figures

exceeded the 12 month record total established in this department in 1952 when 1,368 permits were issued for home costing \$8,739,250.

The previous record high for overall construction costs was in 1951 when that figure was \$13,058,963.

While one month in 1951 hit more than \$2 million, there were six months in that year that went under \$1 million.

Despite the staggering totals for this year to date, all building activity in and around Lincoln is not represented in the total construction cost figure. Permits are not taken out on any public school construction or work at the Air Base.

If this work was figured in the Lincoln picture, Building Inspector Ed Vorhees estimated that construction costs would be double what they are. The 1954 heights were reached also in the face of January predictions for a decline in building during the coming year. For November of this year, there were 193 permits issued for new homes with a total estimated construction cost of \$1,315,205. Another big November item was the \$211,214 permit given Wesleyan University for construction of a new residence hall for men.

The 1954 building record to date is as follows:

Month	Total Costs	New Homes	New Home Costs
January	\$1,051,585	20	\$18,235
February	\$1,783,931	57	\$82,109
March	\$1,496,425	136	\$17,200
April	\$1,023,890	147	\$10,920
May	\$1,016,670	115	\$72,590
June	\$1,061,898	133	\$72,195
July	\$1,122,122	132	\$101,997
August	\$1,234,738	161	\$132,495
September	\$1,292,454	156	\$107,383
October	\$1,650,054	183	\$131,203
November	\$1,315,205	193	\$131,205
Totals	\$13,597,699	1,435	\$10,116,967

7 Aboard Missing Airliner

Plane Believed Down In Rugged Mountains

LA CONIA, N. H. (AP)—A Northeast Airlines plane, with seven persons aboard, was missing and probably down Tuesday night in the rugged White Mountain area of New Hampshire.

The plane, which left Laconia at 10:37 p.m. (EST) for a 100 mile flight to Berlin was due to land 35 minutes later. It had enough fuel to last until about 3 p.m.

The airline, which hasn't had a fatal accident in its 21 years existence, said the plane crew acknowledged receipt of Berlin weather conditions at 11:45 a.m.

Search planes from Grenier Air Force Base in Manchester, Westover Air Force Base in Chicopee, Mass., Coast Guard and Navy air crews flew over the area in the afternoon but reported finding no trace of the missing plane.

Two hunters who came out of the woods at North Conway, said they heard an explosion near Mt. Pequawket, near Kearsarge shortly before noon.

The airline said that other planes were flying Tuesday night over the Kearsarge section, which is on the edge of the White Mountain National Forest.

A ground party of searchers, made up of New Hampshire state police and game wardens assembled at North Conway ready to head into the woods as soon as the missing plane is located.

Simmons Invited To Rangoon Meet; Not Able To Go

Chief Justice Robert Simmons of the Nebraska Supreme Court disclosed Tuesday he had been invited to the third conference of the World Fellowship of Buddhists which opens at Rangoon Dec. 3.

Simmons said he would be unable to attend.

The conference secretary is U. Chan Htoon, attorney general of Burma, whom Judge Simmons met while in the Orient on a State Department assignment in 1952.

Leaders in Burma with whom he talked told him they consider a revival of Buddhism—as their strongest weapon against Communism, just as leaders of the Western world look upon religion as an ally against Communism, Judge Simmons related.

The Nebraska jurist had to send his regrets at being unable to attend the forthcoming conference.

If it had been in the summer when the court is in recess, it might have been possible to go, he explained.

Soil Conservation Meet Begins Here

Registration began Tuesday evening for the fourteenth annual state conference of the Nebraska Soil Conservation District Supervisors.

The first full session of the conference begins Wednesday at the Lincoln Hotel at 9 a.m. with an opening statement by Dr. G. E. Condra.

H. G. Bobst, state SCS director, will speak at 9:15 a.m. and Dean W. V. Lambert at 9:45 a.m. George Rotter will speak at 11 a.m. State Highway Engineer L. N. Ress will follow with an address on The Relation of State Highway to Soil and Water Conservation.

During the afternoon the winners of the trips to Arizona will be announced and Thomas Ayres, assistant to the administrator of the ACP Service, will speak. At 4 p.m. the election of directors for the North Central and South Central areas will be announced.

Commandant Voting Stands

Results of the election of the Honorary Commandant at the University of Nebraska have been permitted to stand.

The decision was made by a faculty subcommittee reviewing action by the Student Council judiciary committee which declared the election invalid.

The subcommittee said it sustained the judiciary committee's decision that the election was invalid for procedural reasons, but that the results could stand since there was no evidence of fraud or intent to defraud.

The Honorary Commandant will be presented at the annual Military Ball Friday night.

Now is —→ NOW

when Ford brings you beautiful new styling inspired by the Thunderbird

Grateful Nation Gives Commoner Churchill Emotion-Packed Salute

LONDON (INS)—British Prime Minister Sir Winston Churchill was 80 years old Tuesday and a grateful nation gave him the biggest and warmest birthday tribute ever bestowed on a commoner.

At the end of an emotion-packed day of ceremony, pomp and affection, Queen Elizabeth II received her first minister at Buckingham Palace Tuesday night to extend her expression of gratitude for the unbowed warrior's leadership.

The soldier-statesman-orator at times was dead serious, mirthful in the sharp Churchillian style of old and as delighted as an eight-year-old getting a new scooter.

'Most Memorable'

But above all, he was grateful to the cheering crowds and his cronies, the political foes who cast aside opposition for a few hours, government officials and lawmakers, the high and the low whose affection drew from Churchill the remark:

"This is the most memorable and greatest occasion of my life."

The man whose masterful words and deeds pushed Britain from despair to victory in World War II, and flashed so memorably across a half century of history between the end of the Victorian era and the age of the bomb, almost found himself at a loss for words to express his thanks.

His voice broke as he thanked the peers of the realm and members of the House of Commons for their gifts, tributes and acclaim as the "Lion of Britain" during a fun-studded, but emotional ceremony in venerable old Westminster Hall.

'Touched My Heart'

Churchill said it was all "beyond what I deserve. They have deeply touched my heart." He said he would treasure their honors "as long as I live."

One of the most sensational gifts was a check for 150,000 pounds (\$420,000) collected from the people of Britain who wanted to wish their famous idol well.

The grand old warrior received the check from Lord Moynehan, treasurer of the Churchill birthday fund, and announced he will set up a "Winston Churchill Birthday Trust."

Enduring Pleasure

Churchill said one purpose of the fund will be to endow his Chartwell home "as a museum containing relics and mementoes of my long life." He added:

"It will be an enduring pleasure for the months or years that remain to me to guide the trust to the charitable purposes which command my allegiance."

After the Westminster Hall ceremony, the political "truce" was broken in Parliament.

New Session

Queen Elizabeth opened a new session of Parliament by reading in the House of Lords a speech written for her by Churchill and his ministers.

The Conservative government expressed in the speech its hope that the Paris agreements to re-arm West Germany would so develop the West's unity and strength "that an essential basis will be

established on which an understanding with the Soviet Union may be sought."

Churchill's cherished hope is to see East-West peace in his lifetime.

The Queen's speech also stressed that "world survival" depends on the "intimate association" of Britain and the U.S.

Criticized

Laborite leader Clement Attlee, who a short time earlier had said in Westminster Hall that the prime minister was held in "esteem and affection," criticized the Conservative leadership for "unwarranted complacency."

He said the Churchill government should have taken the initiative in arranging East-West talks.

Tuesday evening, another birthday ceremony was held in the royal gallery of the House of Lords. Churchill, looking weary and near tears, accepted a pair of antique silver jugs from conservative members of Parliament.

'Treated Too Well'

"I have been treated far too well, today," said the prime minister. "No one has ever deserved such honors which have been bestowed upon me."

The presentation was made by Foreign Secretary Anthony Eden, Churchill's political heir-apparent. Later, Churchill went to Buckingham Palace for a 40-minute audience with the Queen.

The ceremony in drafty, unheated Westminster Hall, near the House of Commons which Churchill loves so well, was attended by 2,500 persons. Among them were members of the prime minister's family, including his grandchildren.

Churchill, his wife, "Clemmie," who kept patting his hand affectionately, and the speaker of the House of Commons had their chairs fitted with electric heating pads to keep warm.

Impish, Serious

Throughout the ceremony and exchange of speeches, Churchill, impishly and seriously, alluded to the fact that he was not sure just how much longer he will be alive.

He kept the politicians guessing about any plans he might have for retirement.

With hands on hips and spectacles perched down on his nose, the prime minister said he and former Laborite Prime Minister Clement Attlee between them had monopolized leadership of the government for 14 years. Then he quipped:

"It is not, however, intended to make it a permanent feature of the constitution."

'Not Yet Retired'

He drew laughter when he referred to himself as a "premier who has not yet retired and may at any time be involved in controversy." He looked around him, as though ready to pitch into a parliamentary debate, when he came to the words "not yet retired."

Then the conservative leader admitted that all the tributes and adulation had "affected my controversial value as a party politician." "But," he went, "I shall come around after a bit." In more serious vein, Churchill in his speech of thanks, said:

"I am now nearing the end of my journey. I am sure I shall never forget the emotion of this day."

'Long May He Live'

When he sat down, a shout went up: "Long may he live to enjoy the fruits of his labors."

Among Churchill's gifts was an

Press Nominates Marilyn As 'Most Unco-operative'

HOLLYWOOD (INS)—Marilyn Monroe was up for a "sour apple" award Tuesday for the "most unco-operative" actress of the year from the Hollywood Women's Press Club, but she shrugged it off with a "no comment."

The ex-Mrs. Joe DiMaggio was reputed to have fallen into the ladies' bad graces because of her refusal and inability to dole out daily interviews.

A press agent said of the ladies of the press:

"They're mad because Marilyn refused to tell them all about her

life and times with Joe DiMaggio. "But how could she? She was beating her brains out most of the time working at the studio. Part of the time she was getting married, then she took time out to get a divorce and the rest of the time she was ill!"

Marilyn isn't the only one up for the old one-two from the Hollywood press corps.

Purdum's Flattered

Also nominated are Doris Day, Edmond Purdom and Marlon Brando. Purdom's classic comment was:

"I'm enormously flattered to be bracketed with Marlon Brando." Blonde Miss Day confided to a friend that she was "very hurt" to hear she had been named.

STAN DELAPLANE'S POSTCARD

Good morning Professor. I guess you are poking around in my tomb to find out what kind of solar boat we used in my day. Or some other information. That is why I have left this memo for you in a Time Capsule. I don't know what year you will be digging in. But let me tell you that my day, the 1950's, were a riot. You should have been around. We did a lot of digging for information, too. How we got it is the curious thing. Mainly we took people who were successful at one thing and asked them questions about other things.

I imagine you were drawn to me by the marble slab topside. The inscription should say: "He never wrote about Liberate."

I had that done, Professor, because that was my standout in the writing dodge.

Everybody else wrote about Liberate. Richard Donovan—we called him "Birdlegs"—when he worked on the papers—wrote about him for Collier's.

Hollywood columnists wrote about his contracts. Food editors reviewed his food. Radio writers screened his air time. Music critics criticized him.

Finally, even his girl friend wrote about him.

He was a piano player, Professor.

Nobody ever asked him a thing about pianos.

When we wanted to bake a walnut cake, Professor, we seldom asked a baker.

We turned the pages of "Photoplay" or "Silver Screen" or other pamphlets devoted to the flickers. We got all the answers there.

"Marilyn Monroe who loves to pitter about the pots when she is not on the set, dearly loves to whip up a walnut cake. 'I start with a mixing bowl,' she said dusting the flour off her pinkies."

Nobody ever asked her how her cakes turned out. We were a happy bunch in the 1950s. If Miss Monroe had issued instructions on how to hop up a hot rod with dual carburetion, we would have been just as happy.

'55 Dog Tags Go On Sale December 1

New 1955 dog licenses, a requirement under city ordinances, go on sale Dec. 1 at the City Hall.

Fees for the new year will remain the same as for 1954, that is, \$3 for males, \$5 for females and \$3 for spayed females. The license requirement states that all dogs in the city three months of age or older must be licensed.

The deadline for obtaining new 1955 licenses is March 1, 1955. More than 6,000 licenses were sold for the past year.

Shortest Meeting In 3 Years Held By Commissioners

In the "shortest meeting in three years" according to Chairman Russell Brehm, the Lancaster County Commissioners Tuesday:

1. Approved the closing of the Courthouse at 3 p.m., Dec. 23, for the county employee's annual Christmas party.
2. Were informed the Courthouse elevator may be operating in 10 days or two weeks and that consideration should be given to the employment of an operator. Six or seven applications are on file.
3. Transacted routine board business and claims.

The meeting lasted less than an hour.

Postal Clerk Admits Stealing Charity Institution Letters

SAN FRANCISCO (AP)—A 28-year-old postal clerk has admitted stealing more than 100 letters addressed to charitable institutions because he "just needed the money," Postal Inspector George Uttley said Tuesday.

James H. Holton, San Francisco, was charged with looting the mails. Federal officials said he admitted making \$95 in one week by opening letters addressed to Father Flanagan's Boys Town in Nebraska and the San Francisco Center for the Blind.

Holton, father of two children, has been a postal worker since 1950. He has been suspended pending outcome of the criminal proceedings.

If convicted, he faces a possible 15 years in prison and \$6,000 fine.

W. Lincoln School Unit Protests Trailer Permits

West Lincoln School District 126 has protested the granting of permits for trailer camps or courts within the school district.

A protesting letter has been sent to both the West Lincoln Board of Trustees and the Lancaster County Commissioners by the district, according to Board Atty. William L. Walker.

Two possible sites on Highways 2-34 near West Lincoln, the one just east of Morgaß street and the other west have been obtained, Walker said.

Hearing Dec. 6

Permit application on one site has been made to the West Lincoln board with hearing now scheduled for Dec. 6, Walker said.

He knew of no application to the County Board, but a similar protest of record was forwarded to the commissioners "just in case," Walker said.

The School Board's letter to the County Board requested co-operation and denial of all such applications for permits in or near West Lincoln or in the school district. Reasons given were:

1. Increase of school age children and under in the present population has been so rapid that the School Board is not now able to furnish sufficient school facilities
2. Even with a bond issue (\$91,000 to build and equip four additional classrooms) just voted, it will not furnish sufficient and adequate facilities, which are now accommodating enrollment on a half-day basis.
3. Trailer courts, occupied by young couples with school-age children, would overburden school facilities.
4. The District cannot increase facilities beyond the presently contemplated classrooms for several years.

The Lincoln School District facilities are much more adequate and that district is more financially able to improve and expand facilities than District 126.

Letter Acknowledged

County Board Chairman Russell Brehm acknowledged receipt of the letter which he said would be presented to the board next Tuesday.

The letter was signed by School Board Members Al Knaub, Louise White, and Harold Hawkins, and by Walker.

Walker said District 126 is trying to prevent a similar situation that is now an undue burden on Garfield District 113.

Lorton Road Bridge Now Ready For Use

LORTON, Neb.—The new concrete bridge north of Lorton corner on Nebraska Highway 67 is available for use, according to Herb Schwaderer, state highway department engineer.

Although the Highway 67 detour is still in use, the regular route can be used now that the bridge is completed.

Weather Ahead

Extended forecast for Nebraska.

Temperatures will average 5 to 10 degrees below normal Wednesday through Sunday, with colder Thursday and Friday, warmer Saturday, and colder again Sunday. Normal highs range from the upper 30s in the northeast to the low 40s in the southwest and normal lows are in the low 20s. Precipitation will average .25 to .50 of an inch, occurring as snow in the west and rain or snow in the east Thursday and Thursday night, and again over the week end.

Bad Food, Solitary Make Up Routine For U.S. Airmen Prisoners in China

...Held In Peiping Prison

By DON DIXON
WASHINGTON (INS) — Bad food, stretches of solitary confinement and Red propaganda make up the routine of 11 American airmen sentenced to prison by Communist China and revealed Tuesday to be in Peiping.

In addition to the eleven, three other U.S. flyers and a Canadian pilot are also probably in the Red capital but living under slightly better conditions.

Another jet pilot and the last of the American Air Force personnel known to be held by the Red Chinese is apparently in a hospital in Manchuria, being treated for a broken leg.

All this was disclosed for the first time Tuesday in a careful study of letters sent home by the confined men in recent months.

Air Force casualty branch officials showed the letters to International News Service on the condition that the use of quotations be restricted.

The airmen have been held about two years in violation of

the Korean Armistice agreement and despite protests by the U.S. government.

Treatment of the men varies and the worst is being experienced by the 11 airmen whose sentences of four to 10 years on phony spy charges was announced last week by Peiping Radio.

They are believed to be in a penitentiary in the Red capital.

Their letters paint a picture of almost barbaric medieval treatment. Airmen 2C Daniel C. Schmidt, 22, Scotia, Calif., writes:

"I'm pretty nervous and shook up most of the time and get a bad craving for cigarettes quite often as they won't let us smoke."

He asked that his mother, Mrs. Roy Peters of Portland, Ore., send him some playing cards and things "I can play by myself as I am in solitary again."

Still Sound
And then young Schmidt apologized for his letter:

"If you can't read this and the spelling is bad, don't blame me. This prison life is hard on my mind and memory."

Another of the prisoners stated with almost terrifying matter of factness:

"I believe that I am still sound of mind."

Things like these were the only hints the men gave of the severe interrogations they must have undergone, of the weary times spent in solitary and of the threats which were probably used and possibly carried out to get them to sign the "confessions" which were broadcast over the Red Chinese radio last week.

Many of the men asked their families to send them warm clothes as "it gets so cold our legs ache."

They also wrote that "on most days," they see each of the other enlisted men but none writes of seeing any of the six officers.

The officers have all sent letters home but since they fail to mention each other, it is felt that they are all separated and possibly in solitary confinement.

Sentences of four years were imposed on the five enlisted men. The officers were given terms of from four to 10 years.

The letters were written several months ago, evidently before the men were "tried" and none of the messages gave any hint of impending sentences which probably came with as much of a shock to the captives as it did to the free world.

The special committee argues that making public the names might result in retaliation on inmates of the penitentiary and guards still employed.

Conflicting reports come from the committee and the Board of Control. The board has interviewed 28 guards who they said told them that they were making voluntary statements supporting the administration. Recording were made of their statements.

In turn, Dr. James Reinhardt, committee member, says he has had telephone calls from the guards saying they made the statements on urging of administrative officials.

Debris From Truck-Store Crash

Mrs. Grace Lewis of Rt. 2 surveys damage resulting from a truck that smashed into the West O Market at 1301 West O St. Mrs. Leo Mulligan, an expectant mother, was injured in the crash. (Star Photo.)

Student Fined \$5 In Speeding Case

Robert E. Lunner Jr., 21, of 1141 H, was fined \$5 following trial of his city speeding appeal case before Lancaster District Judge Harry Spencer.

The University of Nebraska student from York had appealed from Municipal Court conviction on the charged offense of May 21 on which he was fined \$10.

Lunner, waiving trial by jury, told Judge Spencer he was traveling between 25 and 30 miles per hour in the 25 mile speed zone.

The arresting Lincoln officer testified he clocked Lunner at between 35 to 40 miles per hour.

Postal Clerk Taylor Ends 30-Year Service

Harvey B. Taylor, 65, of 5740 North 70th, clerk-in-charge at the Havelock postal station, retired Tuesday.

Taylor entered the postal service on May 16, 1924 as a substitute carrier, was promoted to regular carrier on Jan. 1, 1927, and to his present post on July 1, 1952.

Truck Smashes Store Where Expectant Mother Seeks Help

An expectant mother's desperate call for a ride to the hospital nearly ended in tragedy when a truck smashed through the window of her store as she set the phone down.

The mother, Mrs. Leo Mulligan, 36, of 1301 West O, is reported doing nicely at St. Elizabeth's Hospital. Authorities at the hospital said she apparently was not shaken up too much by the accident.

Inspecting officers said Mrs. Mulligan was shaken up but apparently unharmed.

The vehicle that smashed into the front of the West O Market, run by Mrs. Mulligan and her husband, was a 7-Up truck driven by George Bohl, 48, of 1434 Arapahoe.

Bohl suffered a cut finger.

According to Safety Patrolman Claude Whitney, both the truck and a car driven by Miss Donna Borgman, 21, of Rt. 6, were in collision as the truck was turning toward the market. Both were headed west.

Miss Borgman and a passenger, Irene Huck, also of Rt. 6, were uninjured.

Mrs. Mulligan was reported standing back 10 to 12 feet from the wall of the store when the truck smashed through. Canned goods and other merchandise on

the shelves were scattered through the store by the impact.

The expectant mother had just phoned for help at the store when the truck smashed through the front. She reported she was calling to get a ride to the hospital. She said she was feeling labor pains at the time.

The truck smashed through a screening around the store and into the wall of the store itself. The walls of the building were cracked by the impact.

Mrs. Holland Recovering From Accident Injuries

Mrs. Susan Holland, 65, of 2603 Washington is recovering in Grand Island at the home of her son, Dr. Robert Holland, from injuries received in an auto accident the day before Thanksgiving near Hampton.

She will remain in Grand Island until able to return to Lincoln, according to her son, Dr. Kenneth Holland.

The exciting new idea behind the motoramic Chevrolet

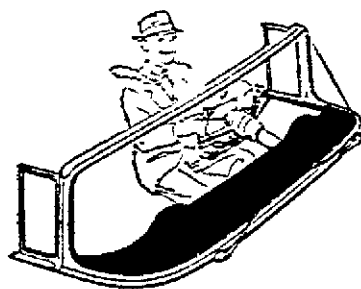

The Bel Air 4-Door Sedan—one of 14 new Fisher Body beauties in three new series

Maybe once in a car-buying lifetime, you come across something that breaks all the old patterns and establishes new ones. This is that kind of car. This is the true story of how Chevrolet and General Motors shaped a new idea in steel.

Like most good ideas, this one is pretty simple. But it wasn't an easy one to carry out. For Chevrolet and General Motors set out with the idea of building the first low-priced car that would do all these things:

- bring you the very freshest and finest styling to be had.
- bring you the most advanced engine design and engineering features.
- bring you the kind of performance and the kind of ride that have never been available before in a low-priced car.
- bring you the highest quality of manufacture and materials.

All this in Chevrolet's price field? That did take some doing! And isn't it logical that only Chevrolet and General Motors have the people, the skills, the resources and facilities, to carry out this exciting new concept? Here is how this new Chevrolet changes all your own ideas about cars!

Real Show-Car Styling!

Your eye tells you the Motoramic Chevrolet is no styling "patch-up" job. A rakish, low profile... soft swiftness from its sleek rear fenders to its wide-eyed Sweep-Sight windshield... a new outlook for motoring. And that outlook doesn't change when you slip inside... there's more room for hats and hips... exciting fabrics and trim harmonized with the whole car... as carefully as a bride matches carpet to curtains.

A Sensational Ride!

You live the new idea instantly... you glide... actually glide because spherical joints "roll with the punch" of the road in Chevrolet's new Glide-Ride front suspension. And outrigger rear springs mean new balance in turns... turns made so effortless by new ball-race steering.

And when you stop suddenly, new Anti-Dive braking control checks that nosing down in front... you get more level stopping. Tubeless tires mean much greater protection against blowouts. And with new high-level ventilation there's fresher air.

8
6

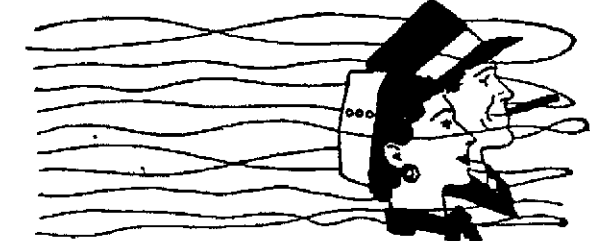

Power Beyond Compare!

You also feel the new idea quickly... quick power like a panther's paw with the new "Turbo-Fire V8" (162 h.p.) and two new "Blue-Flame" 6's. And sparking this performance is a 12-volt electrical system giving you better ignition, faster starting, greater electrical reserve for any of the power assists you might

desire. You have a transmission choice of economical Overdrive and improved, automatic Powerglide (optional at extra cost) or standard shift.

Even Air Conditioning!

And if you desire the convenience of power assists (optional at extra cost)... you'll find new power-steering and improved power brakes on all models. Power-controlled windows and

powershift seat are available on the Bel Air and "Two-Ten" models, while air conditioning may be added on V8 models.

Won't You Try it?

Here, we can only tell you how successfully the Motoramic Chevrolet expresses the new idea behind it. But the car itself can quickly show you! Come in for a demonstration drive, won't you, first chance you get.

MORE THAN A NEW CAR, A NEW CONCEPT OF LOW-COST MOTORING

Not Guilty Pleas Given In Tot Killing

Daniel Smith Faces Charges Of Murder

HASTINGS, Neb. (AP)—Daniel R. Smith, 25, Hastings, entered pleas of innocent Tuesday to first degree murder charges filed in connection with the fatal beating of 5-year-old Patrick Walsh here Nov. 3.

Patrick and his mother, Mrs. Robert Walsh, 35, were attacked at their farm home seven miles north of here. The boy died of the beating but Mrs. Walsh was dismissed from the hospital Nov. 21.

As the charges of first degree murder and first degree murder while intending to attempt to commit rape were read in District Court Tuesday, Smith answered "not guilty" to each charge and his counsel added "and not guilty by reason of insanity or mental derangement."

District Judge Frank J. Munday of Red Cloud said a compulsory jury trial would commence either Jan. 17 or Jan. 24 and he would select one of these dates in the near future.

Two New Oil Drilling Sites Are Disclosed

SIDNEY, Neb. (AP)—Two new drilling locations were announced this week in the western Nebraska oil fields. There also was one report of a dry hole.

Drilling was in progress at nearly 15 other well attempts.

Wytex Oil Co. reported a dry hole on the Johnston No. 1 in far northeast Cheyenne County, an area where there has never been a new field of good size and quality yet tapped.

Also in Cheyenne County the Ohio Oil Co. remained in the Engelland Field, south of Gurley, by spudding in on the W. Sparks B-1. That well is located in the same section where Ohio has recently hit two good oil producers—the Engelland 2 and 3. Ohio Monday completed the Engelland No. 3, which was swabbing 85 barrels in 16 hours.

Sure Oil Co., which has announced it will soon drill a well in southwestern Cheyenne County, moved instead to a Kimball County site.

"AT THE CROSSROADS OF LINCOLN"

Tax Conference Panel Calls For Fewer School Districts, No Federal Aid

By BILL DOBLER
Star Staff Writer

The present number of school districts in Nebraska and federal aid for education came in for sharp criticism in a panel discussion at the fourth annual tax conference sponsored by the Nebraska Citizens Council.

One panel member, Richard Marvel of Hastings, former member of the Legislative Committee on Education, also had some criticism of educators along with his attack on the redistricting problem and federal aid to education.

Marvel aimed his remarks at educators who he said were not telling the whole story. For instance, he said, when higher certification of teachers is discussed, the educators fail to point out the raise in salaries and higher prestige that would accompany such a change.

Also, Marvel said, when teacher retirement programs are discussed, the educators point only to existing state contributions to the retirement program. The educators, he

said, leave out that part of the pension received by a teacher as a result of his own contributions to a retirement program and what he might have been expected to save over the years.

Wants 'Entire Picture'

Marvel stated he did not mean to say he was against higher certification requirements, increased salaries or bigger pensions but that he wanted the entire picture presented.

Billed by the tax conference as giving the views of the "average citizen" on tax problems as related to education, the Hastings state senator asserted that education was most important for two reasons.

First, he said, education deals with the minds of children — minds in their most formative stage. Secondly, there is a lot of money spent on education.

Marvel stated, as did the other two panel members, Freeman B. Decker and Donald F. Kline, that the number-one problem of education was redistricting. In many areas, he said, there is only one child in a class room.

Not only is this inefficient, he said, but it does not teach children the competitive way of the world or companionship and social ability.

More Districts

It was noted by Decker, state superintendent of public instruction, that Nebraska has more school districts than any state in the union. It is silly, Decker said, to think a separate school board and mill levy is needed for every rural school house in Nebraska.

"We can support our own schools," Decker asserted, "but not with our present school districts."

Decker also denounced the present school taxation system. He noted that there are gross tax inequalities which have residents of one district paying up to 50 or 60 mills while residents of an adjoining district might pay no levy.

More opposition to federal aid to education and the present school

districts was presented by Kline, who is executive secretary of the Nebraska Education Association.

Freeman Speaks

The main address at the conference was delivered by Roger A. Freeman, noted economist and tax expert who is now special assistant to Governor Langlie of the state of Washington.

Freeman charged the states and their legislators with the responsibility of reducing federal taxes and expenditures by stopping the various federal aid programs.

The states, Freeman said, must assume more of the responsibility of getting their roads, schools and institutions in shape. These three categories represent a "terrific backlog" of work to be done by the states.

For the past 20 years, Freeman said, the federal portion of the tax load has been increasing. Where the federal government used to collect and spend only one-fourth of all tax money, it now collects and spends three-fourths while state and local sub-divisions have taken the other one-fourth.

The 10 per cent reduction, amounting to \$45 per capita, which the present administration has made in the federal tax load could be the turning point in the trend, he said.

Gov.-elect Victor Anderson gave the keynote address as he outlined various state operations and suggested several changes he may make after his inauguration. Anderson mentioned the possibility of establishing a central personnel office, a purchasing department with the University of Nebraska and Board of Control included and a central warehouse for quantity purchases by the state.

In its business meeting, the Council elected to the board of directors Vantine James of Nebraska City, H. L. Gerhart of Newman Grove, Earl I. Mead of Scottsbluff, R. E. Campbell of Lincoln and C. J. Reynolds of Fremont.

Mary Ford's Baby Dies

NEW YORK (INS)—The four-day-old daughter of recording stars Mary Ford and Les Paul died Tuesday in St. Vincent's Hospital in New York. The five-pound baby, Colleen, was born prematurely on Thanksgiving Day and underwent an operation Monday to correct a breathing difficulty. She was the couple's first child. Paul has two sons by a previous marriage.

Education Problems Worked Out

Leading a panel discussion on the problems of education at the fourth annual tax conference sponsored by the Nebraska Citizens Council were (left to right) Merle G. Jones, Beatrice, chairman and moderator; F. B. Decker, state superintendent of public instruction; Richard Marvel, state senator from Hastings; and Donald F. Kline, executive secretary of the Nebraska Education Association. (Star Photo.)

Bender Nudges Ike

WASHINGTON (INS)—President Eisenhower was urged by Sen.-elect George H. Bender (R-Ohio) to announce immediately his candidacy for a second term in the

State Assistance Department One Of Few Asking Budget Cut

The State Assistance Department Tuesday presented at budget hearings a request for fewer funds than were appropriated for the present biennium. It is one of the few departments asking decreases.

Still further reductions are possible in administering the fund if part of the cost is shifted back to the counties, Chairman William Diers of the Board of Control asserted. He pointed out that the last Legislature passed responsibility for "over ceiling" medical costs back to the counties and that it worked satisfactorily.

Miss Mayme Stukel, state director, said she did not know of a single county that would like to hand responsibility for the medical care back to the state.

Various welfare officials expressed the belief that if part of the administrative cost were apportioned to the counties, the cost there would decline.

It was also explained that the proposed budget might have to be increased between \$3 million and \$4 million if the Legislature adds the authorized fourth category providing assistance for the totally and permanently disabled. The extent of aid granted would determine the need for increased funds, it was pointed out.

Officials were unable to account for an unexpected increase in the load for aid to dependent children. An increased number of children per family receiving aid has also been a troublesome factor.

The requested \$32,582,817 budget would include \$13,297,000 of tax money, \$30,117 cash and the balance federal funds. During the past biennium the appropriation was \$34,005,513.

Administrative expenses in the counties is estimated at \$1,209,700. Old age assistance was estimated at \$22,032,000; blind \$1,080,000 and aid to dependent children \$5,640,000.

Meat Workers To End Walkout

OMAHA (UP)—Meat packing operations will be resumed Thursday morning at the Wilson and Co. plant here.

The plant was virtually closed Monday by walkouts. The company followed the walkouts with suspensions.

Manager E. A. Trowbridge said work is being scheduled for Thursday, the end of the suspension.

The union agreed to return to work Thursday.

NO BRASH PROMISES--JUST NEWS

Wednesday, December 1, 1954 THE LINCOLN STAR 11

IT SEEMS that we made a few brash promises yesterday — We had intended to give you that new address we mentioned—and to tell you of some more guests who had been in town — But somehow or other our eyes were larger than the page—or something—at least we ran out of room—

SO first thing this morning we're going to tell you that Mr. and Mrs. Frank E. Roehl, their son,

Johnny, and their daughter, Eleanor, plus household pets and horses, have a new home—Mr. and Mrs. Roehl have purchased a home at 3330 So. 31st St., and are moving in as of now.

WE had wanted to tell you, also, that Miss Marilyn Harper came from Norman, Okla., where she is doing graduate work in drama at the University of Oklahoma, to spend the Wednesday-to-Sunday period with her parents, Lt.

Col. and Mrs. H. C. Harper. ALSO among the guests we wanted to mention were Mr. and Mrs. Will Phillips and their son-in-law and daughter, Mr. and Mrs. William Leman and their daughter Shari, who were the house guests of Mrs. Phillips' brother and sister-in-law, Mr. and Mrs. L. H. Babst during the past week-end.

TODAY is the day that Mr. and Mrs. Woodrow Magee and their daughters, Ann and Kitty, leave for Florida where they will spend the winter months—Or perhaps we should say that Mr. Magee and Ann leave today by plane—and Mrs. Magee and Kitty, who are driving south, will leave in a day or two. The Magees will go first to St. Petersburg for an indefinite period—or at least until they decide where the winter is to be spent.

IN farewell courtesy to Miss Ann Magee, Miss Ginger Tindall,

daughter of Mr. and Mrs. Robert Tindall, was a Saturday hostess at her home. Five guests were invited for luncheon, and the after-luncheon hours were devoted to a taffy pull.

HAVE some homecomers in the morning news—Hear that Mrs. L. R. Doyle returned Monday evening from Denver where she spent two weeks as the guest of her uncle and aunt, Mr. and Mrs. Paul Fitzgerald.

AND also back in town are Mr. and Mrs. Vance Traphagen who have returned from Evanston, Ill., where they were the guests of their son-in-law and daughter, Mr. and Mrs. Tom Yates.

OUR potential guest list includes Miss Susan Chambers who will be arriving on Thursday from Los Angeles to spend a month as the guest of her parents, Mr. and Mrs. Guy Chambers. ANOTHER name on the list of

guests to come is that of Mrs. David Thompson who arrives next Monday from La Jolla, Calif., to spend a few days in Lincoln before she and her parents, Dr. and Mrs. John C. Thompson, go to Clearfield, Pa., for the wedding of Dr. John S. Thompson and Miss Vera Hainsley which will be solemnized on Saturday, Dec. 11.

NOTE to Sigma Alpha Epsilon:

Yule Program

The Bethany Mothers Club will meet at 1:15 o'clock, Thursday, at the Bethany Christian Church for a special program on Christmas decorations for the home.

Hostesses for the afternoon will include Mrs. Earl Martin, Mrs. Carroll Young and Mrs. Alfred Lang.

Plan Coffees For Airmen

The first in a series of Sunday morning coffee hours at the Lincoln Air Force Base service club was held Sunday for the airmen and will be continued during the month of December.

Sponsored by the hostess group of Lincoln career women, the coffee will feature home-made cookies, and anyone wishing to contribute cookies are asked to leave them at Lincoln YWCA desk on Saturday or before 9 o'clock Sunday morning. Hostesses last Sunday were

In your 1971 pledge class will be a young man by the name of Gregory Dale Myrberg who arrived at Bryan Memorial Hospital on Tuesday, Nov. 23. His parents are Mr. and Mrs. Kenneth Myrberg, and his mother is the former Denise Grafe.

Chapter Hears Guest Speaker

The Alpha Theta chapter of Epsilon Sigma Alpha met Monday evening at the home of Miss Dee Finigan. The program featured a talk by a guest speaker, Dr. Rosalyn Goldman, clinical psychologist at the State Hospital, who spoke on the topic, "The Work of a Psychologist in a Mental Institution."

Randolph PTA Hears Speaker

The November meeting of Randolph PTA was held Tuesday evening in the school auditorium with Dr. Steven N. Watkins, superintendent of Lincoln Schools, as guest speaker. Dr. Watkins presented a survey of the schools' problems, after which several songs were sung by the Lincoln PTA Mothersingers.

Hearing Group Will Meet

The regular meeting of the Lincoln Hearing Society will be held at 7:30 o'clock, Thursday evening, at the YWCA. Following the business meeting, a program has been planned for the evening.

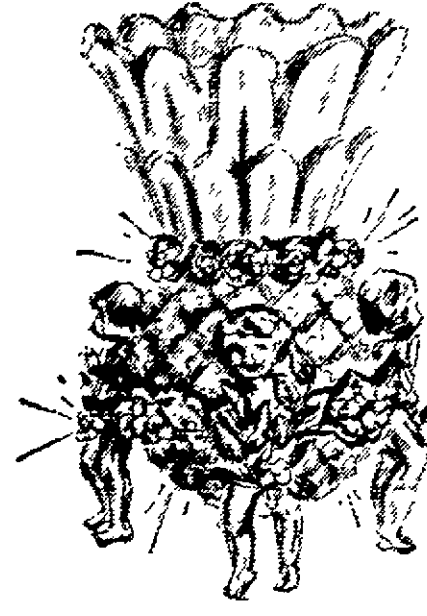

NCO Wives Plan Meeting

Members of the NCO Wives Club will hold a business meeting Wednesday evening at 7:30 o'clock, at the Lincoln Air Base NCO Club. During the meeting, officers will be elected; after which refreshments will be served by Mrs. Jack Watson, Mrs. Kenneth Timberlake and Mrs. Richard Liebelt.

Late Fall Ceremony

Miss Marjorie Nelson, daughter of Mr. and Mrs. Raymond P. Nelson of Ashland, became the bride of James F. Estes, son of Mr. and Mrs. E. Forrest Estes, at a late afternoon ceremony solemnized on Sunday, Nov. 14. Clusters of lighted white candles, and arrangements of large white chrysanthemums and pompons appointed the chancel of the First Congregational Church in Ashland for the service which was read by the Rev. C. B. Howell of Ashland, assisted by the Rev. Rex Knowles, Congregational pastor on the University of Nebraska campus.

Preceding the ceremony, Mrs. Claude D. Lutton of Ashland presented a prelude of organ music. Mrs. Lutton also played the wedding music and accompanied Cpl. Jerry Sandy of Ft. Riley, Kan., as he sang "Because," and "The Lord's Prayer."

Miss Marcella Oltmire of Beecher, as the maid of honor, wore a ballerina-length frock of iridescent taffeta in the rose-copper tones. Shirred elbow sleeves and a low, squared neckline accented the bodice beneath which the skirt was gathered into fullness. Costumed identically in emerald green taffeta was the bridesmaid, Miss Marilyn Rice of Norfolk. The attendants wore headbands of frock-toned taffeta and carried cascades of bronze chrysanthemums.

Wedgewood blue velvet fashioned the bride's princess gown. A long-sleeved jacket of the velvet, completed by an Elizabethan collar, covered the décolletage of the torso bodice, and the circular skirt flared into waltz-length. A tiny cap of velvet edged with

Club To Hear Book Review

Miss Eva Erickson will be hostess to the members of the Bookmark Club at her home Thursday evening. Following the 7:30 o'clock meeting, Miss Lanta Dales will review the book, "Our Mrs. Meigs", by Elizabeth Corbett.

seed pearls held her shoulder veil of blue illusion, and she carried a white Bible ornamented with a cluster of white roses and double anemones.

Serving as best man was Roger W. Fitch, and the ushers were Duane Nelson and James Bahm, all of Lincoln, and William Pfeiler of Omaha.

Immediately following the ceremony, a reception for 180 guests was held in the parlors of the church. Later in the day, the couple left for a trip through southwestern states, later to reside at Tacoma, Wash.

Both Mr. and Mrs. Estes are graduates of the University of Nebraska where the bride is a member of Sigma Eta Chi. A member of the Pershing Rifles, Mr. Estes also belongs to the American Institute of Electrical Engineers and the Institute of Radio Engineers.

Achievement Day Program

The Lancaster County Extension Clubs will hold their annual Achievement Day program Wednesday at the Activities Building on the University of Nebraska College of Agriculture campus.

Beginning at 1:30 o'clock, members of the 59 extension clubs in the county will hear a program of songs by the Lancaster County Chorus and will participate in group singing. A special skit will be given by the Busy Bees, the Yankee Hill and the Beltline Extension Clubs, and Mrs. John Jesse of Omaha will review the book, "Mr. Hobbs' Vacation."

The afternoon will close with the installation of new officers elected earlier this fall, at which Miss Agnes Arthaud, district supervisor, will preside, followed by a tea.

A feature of the afternoon will be an exhibit of Christmas decorations and table centerpieces made by the club members in the county.

We Hear That

Spending the Thanksgiving holiday and week end in Kansas City, Mo., were Mr. and Mrs. Phil D. Dunning and their children, Dee Anne, Kiki, Chuck and Phillip Sharrick, who were the guests of Mr. Dunning's parents, Mr. and Mrs. H. M. Dunning, and his brother, Morris Dunning and Mrs. Dunning. This was the first visit with his grandparents for young Phillip Sharrick Dunning.

Mr. and Mrs. Gene Keith Burcham are the parents of a daughter, Mary Debra Lynn, who was born on Monday, Nov. 29, at St. Elizabeth Hospital. Young Miss Burcham is the granddaughter of Mr. and Mrs. Oscar Smith and Mr. and Mrs. James A. Clark, and her mother is the former Catherine Clark.

The Star Welcomes

Now that the holiday season is here, neighbors will be getting together to exchange ideas on Christmas decorations, gift suggestions, and plans of holiday parties. So, we thought it would be quite appropriate to introduce several more new neighbors who will be spending their holidays in Lincoln for the first time.

We're sure that Master Sgt. and Mrs. William Moody will have many unusual ideas for Christmas decorations after living in Germany for three years. Sgt. Moody was stationed there as was Mrs. Moody who then was with the WACs. Their thirteen year old daughter, Ann, who is attending school at Everett Junior High will have many interesting experiences to amuse her fellow students. The Moodys' new home at 1503 H will undoubtedly have an art studio because both Sgt. and Mrs. Moody enjoy painting.

The address 4121 So. 17th belongs to Mr. and Mrs. Thomas North and their two children, Janet and John. The Norths recently have moved to Lincoln from Wichita, Kan., because Mr. North is a salesman and Lincoln is situated in his sales region. While her children are in school at Merle Beattie, Mrs. North is more than busy decorating her new home and getting the family settled. When life returns to its normal pace, the Norths plan to continue their favorite pastime of bowling.

Tempting recipes for holiday eating will be in store at the home of Staff Sgt. and Mrs. Charles Williamson. Mrs. Williamson loves to cook more than anything else. The Williamsons recently moved to Lincoln from

Ike To Ask For Asian Economic Aid Plan As Next Stage In Cold War Plan

...Need For New Approach Agreed

WASHINGTON (U)—The Eisenhower administration will ask Congress for money to back a big new economic development program in free Asia as the next stage in its cold war policy, diplomatic officials reported Tuesday.

They said President Eisenhower would speak out about the need for such a program in his State of the Union message to Congress in January.

The amount of money Congress will be asked to provide has not yet been determined by government officials who are drafting the program.

But informants said the administration definitely plans to pump more money into the Far East area in the next fiscal year than it did in the 12 month period beginning July 1. Congress set aside \$1,478,000,000 for military

and economic aid to this region, with more than half going for arms assistance.

The main emphasis in the new development program, they said, will be on economic rather than military aid. The White House, State and Treasury Departments all have agreed, they said, on the need for this new approach to build up Communist-threatened nations.

Asiatic countries, stretching in a great arc from Pakistan through Korea and Japan, are expected to take the initiative in requesting the new assistance, just as Western European nations did in 1948, after former Secretary of State George C. Marshall announced American readiness to help out.

The United States would also expect, it was said, that Western European nations, particularly those whose economies had been helped by American Marshall Plan money, would join in the stepped-up Far East development program.

Some American military and economic help would continue to go forward to Western European countries under the new aid program. It would be less, however, than the 697 million dollars Congress provided for this purpose in the present budget.

Diplomatic officials who disclosed the administration's views declined to say whether any new aid program for Latin America was being considered.

Crosby Pleased By Safety Group Progress

The Governor's Traffic Safety Conference will hold its next meeting in Omaha Dec. 11, Gov. Crosby has announced. The executive committee will meet preceding the general session. Meeting will be at the Fontenelle Hotel starting at 10:30 a.m.

The governor expressed pleasure at the progress already made in reducing the state's traffic fatality toll. The figure for the first 11 months stood at 290 Tuesday compared with 318 on Nov. 30 last year.

Mailman Named U.S. Crochet King For Third Time

NEW YORK (INS)—A 200-pound mailman who thinks crocheting is a good cure for ulcers Tuesday won the male crocheting championship of the United States for the third time.

Anthony S. White of Portland, Ore., was named 1954 "King of Crochet." He was crocheting king in 1950 and 1952, too. The 53-year-old letter carrier has been crocheting for 16 years.

Ladies' honors, plus the title of grand national champion in the 1954 nationwide crochet contest, went to a Los Angeles grandmother, Mrs. Theresa Blum. She got \$500 prize money for a tablecloth it took her nine months to crochet. Like White, Mrs. Blum was a repeat winner. She was grand champion in 1941.

Teen-age winner was 19-year-old Norma Jean Miller of Ensign, Kan. She crochets at home after day work as a practical nurse in a Garden City, Kan., hospital.

South Africa Picks Leader

PRETORIA, South Africa (U)—South Africa's governing Nationalist party Tuesday picked as new prime minister a man whose goal is to make the country a republic.

A party caucus named Lands Minister Johannes Gerhardus Strijdom, 61, who uses only the Afrikaans' tongue in public and is known as the "Lion of the Transvaal," to succeed retiring Prime Minister Daniel F. Malan as Nationalist leader.

With the resignation of Malan effective at midnight, Gov. Gen. E. G. Jansen called on Strijdom to form a new government.

Strijdom has never yet said whether he wants to make South Africa a republic within the British commonwealth of nations or take it out of the commonwealth.

The new prime minister favors even stronger measures than Malan to implement the Nationalists' uncompromising policy of racial segregation and white supremacy.

Washington Boy Hides In Refrigerator; Luckily Cops Find Him In Time

WASHINGTON (INS)—A 16-year-old Washington boy is in jail on housebreaking charges and he's lucky.

Police found him trapped inside a delicatessen refrigerator where he sought to hide. They reported that they almost overlooked the hiding place and that if they had, the youth would have suffocated in a matter of hours.

Bedford-Lillibridge Ballots Locked Up

Ballots from Saline and Fillmore counties cast for state senator are expected to arrive in Lincoln for safekeeping this week, the Secretary of State's office says. They will be stored in a vault until the Legislature meets.

Sen. C. C. Lillibridge of Crete, who failed of reelection by nine votes, has served notice of contest on the apparent winner, Marvin Bedford of Geneva. The ballots would be required here if the recount is granted.

Filter Tip Smokers!

Here's The True Tobacco Taste

You've Been Missing!

FILTER TIP TAREYTON

with the New Selective* Filter

for real filtration and smoking satisfaction

Tareyton's new Selective* Filter is smooth and easy-drawing. It holds back elements that can detract from the pleasure of smoking, yet at the same time permits the full-bodied flavor of Tareyton's quality tobacco to come through to you. It gives you the true tobacco taste you've been missing in other filter cigarettes.

Filter Tip Tareyton is unique among all filter tip cigarettes. It is the only one that incorporates Activated Charcoal, renowned for its unusual powers of selective filtration,—used far and wide to purify the air we breathe, the water and beverages we drink.

Look for the red, white and blue stripes on the package and for the distinctive gray (Activated Charcoal) filter on the cigarette. They identify the best in filtered smoking—Filter Tip Tareyton, the cigarette with a time-honored reputation for quality tobacco and the only filter cigarette with a genuine cork tip.

* PATENTS PENDING

An entirely new concept in cigarette filtration. A filter tip of purified cellulose, incorporating Activated Charcoal, a filtering substance world-famous as a purifying agent, notably for air, water and beverages.

Nebraska City's Christensen Back:

Vets Aid Pioneers

NEBRASKA CITY—Coach Dale Harding goes into his second basketball season at Nebraska City with one of the best centers in southeastern Nebraska in 6-4 Pete Christensen and seven lettermen to support him.

Christensen, a husky senior, will be backed by lettermen Verdes Baucke, Bob Gosch, Larry Stever, Harmon Riggs, Larry Romjue, Dick Place and Bob Petersen.

The Pioneers open Friday night at home against Crete in a Twin Rivers Conference game.

Schedule
Dec. 3—Crete, 10—at North Platte, 11—Grand Island, 11—at Beatrice, 21—Fairbury.
Jan. 7—Auburn, 11—at Tecumseh, 18—Falls City, 21—at Pawnee City, 28—Tecumseh, 29—Shenandoah.
Feb. 1—Plattsmouth, 4—at Auburn, 11—Nebraska City, 18—Pawnee City, 25—at Falls City.

Blue Hill Green

BLUE HILL — Only two boys—Larry Kort and Neil Kort—are back from the 1953-54 Blue Hill team. Coach George Sorenson's squad is in the Big Eight and Webster County Conferences.

Schedule
Nov. 30—at Kenosha.
Dec. 7—at Campbell, 7—Bladen, 10—Red Cloud, 14—at Harvard, 17—Hastings St. Cecilia.
Jan. 4—at Clay Center, 7—Fairfield, 14—Red Cloud, 18—20—21—Big Eight Conference Tourney at Hastings, 26—28—Webster County Tourney at Gude Rock, 29—at Nelson.
Feb. 4—Gude Rock, 8—at Deshler, 11—at Edgar, 15—Davenport, 18—at Jumaia.

Three-Year Star Back

MADRID—Gary Johnson, a three-year veteran, and Maurice Hazzard from last season's starting five will lead Madrid in basketball this winter.

Schedule
Nov. 30—at Paxton.

New York, Pistons In Close Pro Wins

NEW YORK (AP)—Successful baskets by Carl Braun and Ray Felix in the fourth minute of an overtime period carried the New York Knickerbockers to a 95-91 victory over the Philadelphia Warriors Tuesday night in the second game of an NBA doubleheader at Madison Square Garden.

Fort Wayne's sharp-shooting Pistons overcame a 14-point deficit to defeat the Minneapolis Lakers 92-90 in the opener as George Yardley sparked a fourth-quarter rally. The triumph strengthened the Pistons' first-place hold in the Western Division.

Selvy Terrific But Team Falls, 118-99

MILWAUKEE (AP)—Frank Selvy, the brilliant former All-American from Furman, saluted his debut as a Milwaukee Hawk Tuesday by dropping in 35 points for a new Milwaukee Arena-Auditorium record, but his efforts were not enough as the Boston Celtics drove to a 118-99 victory at the auditorium before a crowd of 3,631.

Dec. 3—Butler, 7—at Elsie, 10—Haver Center, 14—Lawellen, 17—at No. Platte St. Pat.
Jan. 7—5-7-8—P. C. A. Tourney at Madrid, 11—Wallace, 14—at Venango, 18—at Arthur, 21—Elsie, 26-28—SPVA Tourney at Omaha.
Feb. 1—open, 4—at Sutherland, 8—open, 11—Paxton, 17—Waukegan.

15 Games For Plymouth
PLYMOUTH—The Plymouth Pilgrims face a 15-game schedule this season. Coach Don Bornschlegel, former Peru State star, is counting heavily on lettermen Ron and Gene Panelitz, Jim Rahe, Ron Schroeder and Gordon Freese.

Schedule
Nov. 30—at Berneville.
Dec. 3—at Steele City, 7—Endicott, 10—at Wymore, 14—at Dorchester, 17—at Adams, 21—O'Neill.
Jan. 4—O'Neill, 10-14—Pioneer Tourney at Fairbury, 21—Western, 25—at Tobias, 28—Daykin.
Feb. 1—at Lewiston, 8—DeVitt, 11—at Reynolds, 15—Owens.

Veteran Squad
ALDA—Eight lettermen are returning this year for Supt. Coach

Gator Bowl Foes Told

JACKSONVILLE, Fla. (AP)—Auburn and Baylor will meet in the Gator Bowl football game here Dec. 31.

The playing date was changed this spring from New Year's Day so as not to conflict with the television broadcasts of other big games on Jan. 1. The game will be played on a Saturday the next two years. No TV arrangements have been made yet but Mutual will carry the game on radio.

The Gator Bowl committee made the announcement at 4:30 p.m. after conferring with officials of Auburn and Baylor by telephone.

It is the first time for a Southwestern Conference team in the Gator Bowl. Auburn played last year and lost to Texas Tech 35-13.

Both teams have 7-3 records this season.

The final Associated Press poll rated Auburn No. 13 and Baylor No. 18.

Texans, Floridans Set For Sun Bowl

EL PASO, Tex. (AP)—Florida State and Texas Western were named as the teams for the Sun Bowl game New Year's Day.

The announcement of the selection of Florida State at Tallahassee followed by a few minutes the announcement that Texas Western of El Paso had been picked as the host team.

Mike Misenheimer, chairman of the Sun Bowl selection committee, made the announcements.

During the day the drive to have Florida State picked as one of the teams had gained momentum although until the announcement was made Trinity University of San Antonio, Miami of Ohio, Chattanooga, and Southeast Louisiana continued to be mentioned as favorites.

Emil Wicina's basketball squad.

Returning Lettermen
Leland Danziger, Roger Marsh, Dean Wood, Martin Irine, Ralph Knott, Kenneth Schwiezer, Bobby Thiel, Leonard Lamphear.

Schedule
Dec. 3—at Gilmer, 7—at Chapman, 10—at Rockville, 17—at Marquette, 21—Thayer, 22—Clendy.
Feb. 1—Hordville, 4—at Phillips, 7—at Rockville, 11—at Trumbull.

Looking Up!
BELVIDERE — With nine lettermen back, Belvidere high school is looking forward to a successful basketball season this year.

Returning Lettermen
Kenneth Elise, Douglas Williams, Robert Lamm, Harold Hunt, Dwight Harmon, Roger Warnke, Lawrence Hecht, Donald Solter.

Schedule
Dec. 2—Byron, 10—at Chester, 17—Endicott, 21—Daykin.
Jan. 7—at Carleton, 11—Hollenberg, 14—Alexandria, 21—Ruston.
Feb. 1—at Davenport, 11—at Byron, 18—Hards.

Tulsa Bounces Coach; Set School Record

TULSA, Okla. (AP)—University of Tulsa's head football Coach Bernie Witucki and his four assistants were discharged Tuesday

climaxing the school's worst grid season since it began playing the game in 1895.

Dr. C. I. Pontius, university president, said no successor to Witucki had been named and that the school, a member of the Missouri Valley Conference, would continue with a full athletic program including football.

Malcom Free Throw Accuracy Nets Win

LINCOLN Star Special
GARLAND—Malcom used the new free throw rule to good advantage in coming from behind to beat Garland, 55-49. Malcom hit 67 per cent of its foul shots and made good use of the "bonus" rule.

The rule gives a free thrower an extra shot if he makes one. Glen Schmieding made good on 15 of 18 free-throw attempts and led the winners with 21 points. D. Janssen scored 25 for Garland, which led at the end of the first period.

Malcom 55 15 17 9 14-55
Garland 49 19 9 9 12-49

Sheary, Quatham Hot; Waverly Trips Ceresco

LINCOLN Star Special
WAVERLY—Len Quatham and Lew Sheary scored 16 points each as Waverly stopped Ceresco, 49-38, in its opening basketball game.

The Vikings held a 10-point half-time lead and didn't lose it after that. The Waverly "B" teams beat Ceresco, 29-25.

Rockets Have 5 Vets; Shy Experience

By RON GIBSON

Star Sports Staff Member
Basketball coach Ed Johnson of Northeast has licked one problem which faced him last season—a lack of height—but is now short of another important quality.

Experience, for which there is no substitute, is lacking on the Northeast squad. Five veterans are back from last year but only one of them was a regular.

Dee Hass was a starter last season but shared a starting position at the end of the season. He may be off to a slow start this year due to an ankle injury sustained in football.

Bill Lundy, Wayne Hester, Duane Strandberg and Larry Bryant are other veterans.

The 13-man squad is made up largely of juniors. Bryant, Hass, Lundy, Strandberg and Larry Hennings are the only seniors.

If the team comes along late in the season as did last year's Rocket squad, Johnson will be happy. The short 1953-54 squad got hot late in the season and went to the state tournament on the strength of an upset win over Falls City.

Falls City is one of the toughest opponents on this year's schedule. Other strong teams are North Platte, Lincoln, Grand Island and Boys Town.

The schedule:
Dec. 3—Northeast at Scottbluff, 4—Northeast at Falls City, 17—Columbus, 23—Norfolk.
Jan. 7—at Hastings, 14—Lincoln ONU Coliseum; 15—at Beatrice, 22—at Omaha South, 28—McCook.
Feb. 5—at Grand Island, 11—Nebraska City, 12—Fremont, 18—Fairbury, 25—at Boys Town.

Now you can protect your car against both friction and acid—the two major causes of engine wear

NEW CONOCO Super MOTOR OIL

America's First Double-Duty Oil!

Protection 1

OIL-PLATING*

conquers friction wear because this exclusive discovery actually fastens a thin film of lubricant to moving engine parts for full-time protection.

Protection 2

ACID-PROOFING

conquers corrosive wear because this exclusive new discovery gives Conoco Super up to twice the cleansing power of other premium oils!

Automotive engineers have long known that friction and corrosion are the two major causes of engine wear. Now, from the laboratories of Continental Oil, comes America's first Double-Duty motor oil. It combines two exclusive discoveries (Oil-Plating and Acid-Proofing)* to conquer both major causes of engine wear.

The unique Oil-Plating additive conquers friction wear by actually fastening a thin film of protective oil to engine parts. Unlike ordinary motor oil, this film won't drain down even when your engine has been stopped overnight. Thus you get full-time protection against damaging wear due to friction.

Exclusive Acid-Proofing additive conquers corrosive wear three ways—it neutralizes acids, prevents rust, and gobbles up tiny particles of dust, dirt, and water and seals them safely in spheres of oil until the oil is drained. ACID-PROOFING actually gives new Conoco Super twice the cleansing power of other premium oils!

New Conoco Super Motor Oil is on sale at Conoco dealers everywhere. Drive in and ask for it today!

Your Conoco dealer will recommend the right grade of new Conoco Super Motor Oil for your car, your climate, your driving conditions.

AUB GIVENS

Doane Misses Veterans But Has Promise

CRETE—This might have been the year Doane College would march to a Nebraska College Conference basketball championship, but today on the Crete campus Coach Aub Givens is rebuilding the shattered Tigers rather than looking forward to an NCC title.

Five starters from the 1953-54 squad which had a 6-18 record were expected back for this season's 20-game schedule.

But each of the five veterans dropped from school for various reasons.

So now Givens, the man who ruled Nebraska prep school basketball at Grand Island in the late forties, again must begin to build his team with last year's substitutes, inexperienced freshmen and transfer students.

There will be height among the Tigers. Norky Jones, the Wichita, Kan. sophomore who lettered last season, is 6-7, and sophomore letterman Norin Lastovicia of Omaha and Larry Sims of Western are 6-4.

The other veterans are Gary Parsons (6-0) of Chester, Jim Maschman (6-2) of Hebron and John Fletcher (6-2) of Hershey.

Freshman Bob Cast of Beaver Crossing grows to 6-6 and Bud Pollard of Alliance is 6-3½. Pollard was a standout on the Alliance High team which went to the semifinals of the state high school tournament last spring.

Other frosh who may fit into the Doane reconstruction program are Jack Blanke (5-11), one of the best in Class C ball at Geneva last season; Mel Emmeigh (6-2) of Crete; Ron Gray (6-1), a standout at Hebron; Lynn Handy (5-9) of Percival, Ia.; Jack Howard (5-9) of North Platte; Don Muff (6-3) and Jim Pallette (6-1) of Crete; Chuck Schaff (5-8) of Brunning; and Darold Wulfekeetter (5-10), an All-Southern Big Five player at Hebron last year.

The loss of those five starters may be assuaged at mid-year when Don Vynhaler, spark of a good 1953 Crete High team, becomes eligible. The 6-3 sophomore played for Rio Grande College last winter and transferred this fall.

Dec. 4—at Concordia Teachers; 13—at Rockhurst College, Kansas City, Mo.; 14—at Taylor, Mo.; 15—at Simpson College; 26-27—Grand Island Tournament; Jan. 7—Hastings; 8—at Omaha U.; 11—at Western; 14—at Kearney; 21—Weiovan; 28—at Chadron; 29—at Chadron; Feb. 1—Omaha U.; 3—at Peru; 22—at Hastings; 11—Midland; 12—at Wayne; 18—Kearney; 19—Wayne; 22—at Midland; 23—Peru.

Chadron Eagles' Prospects Bright

Lincoln Star Special

CHADRON—The fourth year in the basketball coaching career of Loy Young at Chadron State Teachers College could be bright.

The Eagles from the northwest corner of the state count eight lettermen from the 1953-54 squad which won 14, lost 12 and tied for third in the Nebraska College Conference.

A promising freshman crop and big (6-5) transfer student Bob Kelly from South Dakota State add to the potential of the Eagles.

Chadron defeated South Dakota Mines twice last week while getting the jump on the other NCC teams.

The Eagles used balanced scoring power for 91-82 and 88-71 victories.

Expected to contribute to Chadron scoring this winter are Senior Bob Armstrong (5-10) of Chadron, Senior Quintin Hughes (6-3) of Crawford, Senior Dan Kuska (6-2) of Chadron, Sophomore Joe Lytle (6-3) of Wasta, S. D., and Junior Larry Lytle (6-2) of Chadron.

Other lettermen are Simon Delgado of Veteran, Wyo., Mac Rayfield of Mullen and Don Sleeper of Huntley, Wyo.

Promising frosh include Stan Martin and Bob Morris of Alliance, Chuck Lovelace of Mitchell, Jim Hampton of Chadron, Jim Martin of Hyannis, Bruce Bartlett of Selbert, Colo., and Dale Hendrickson of Gering.

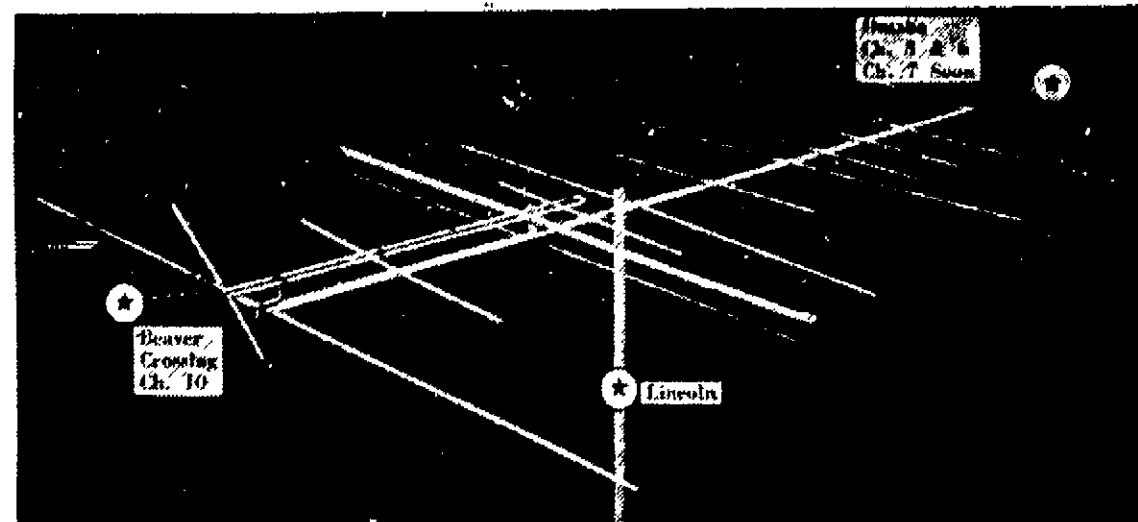

The schedule:
Nov. 30—at Black Hills, S. D.; Dec. 1—South Dakota Mines; 4—Albany; 7—Black Hills Teachers; 10-11—at Colorado Mines; 14—South Dakota Mines; 15—Eastern New Mexico; 27-28—Grand Island Invitational; Jan. 7-8—at Nebraska Wesleyan; 14-15—Midland; 21-22—at Wayne; 28-29—Doane; Feb. 4-5—at Kearney; 11-12—Peru State; 18-19—at Hastings.

Art Smith, cross country and track coach for West Virginia University, was coach of the U.S. Olympic track team in 1912 and 1920.

Chapin & Gore

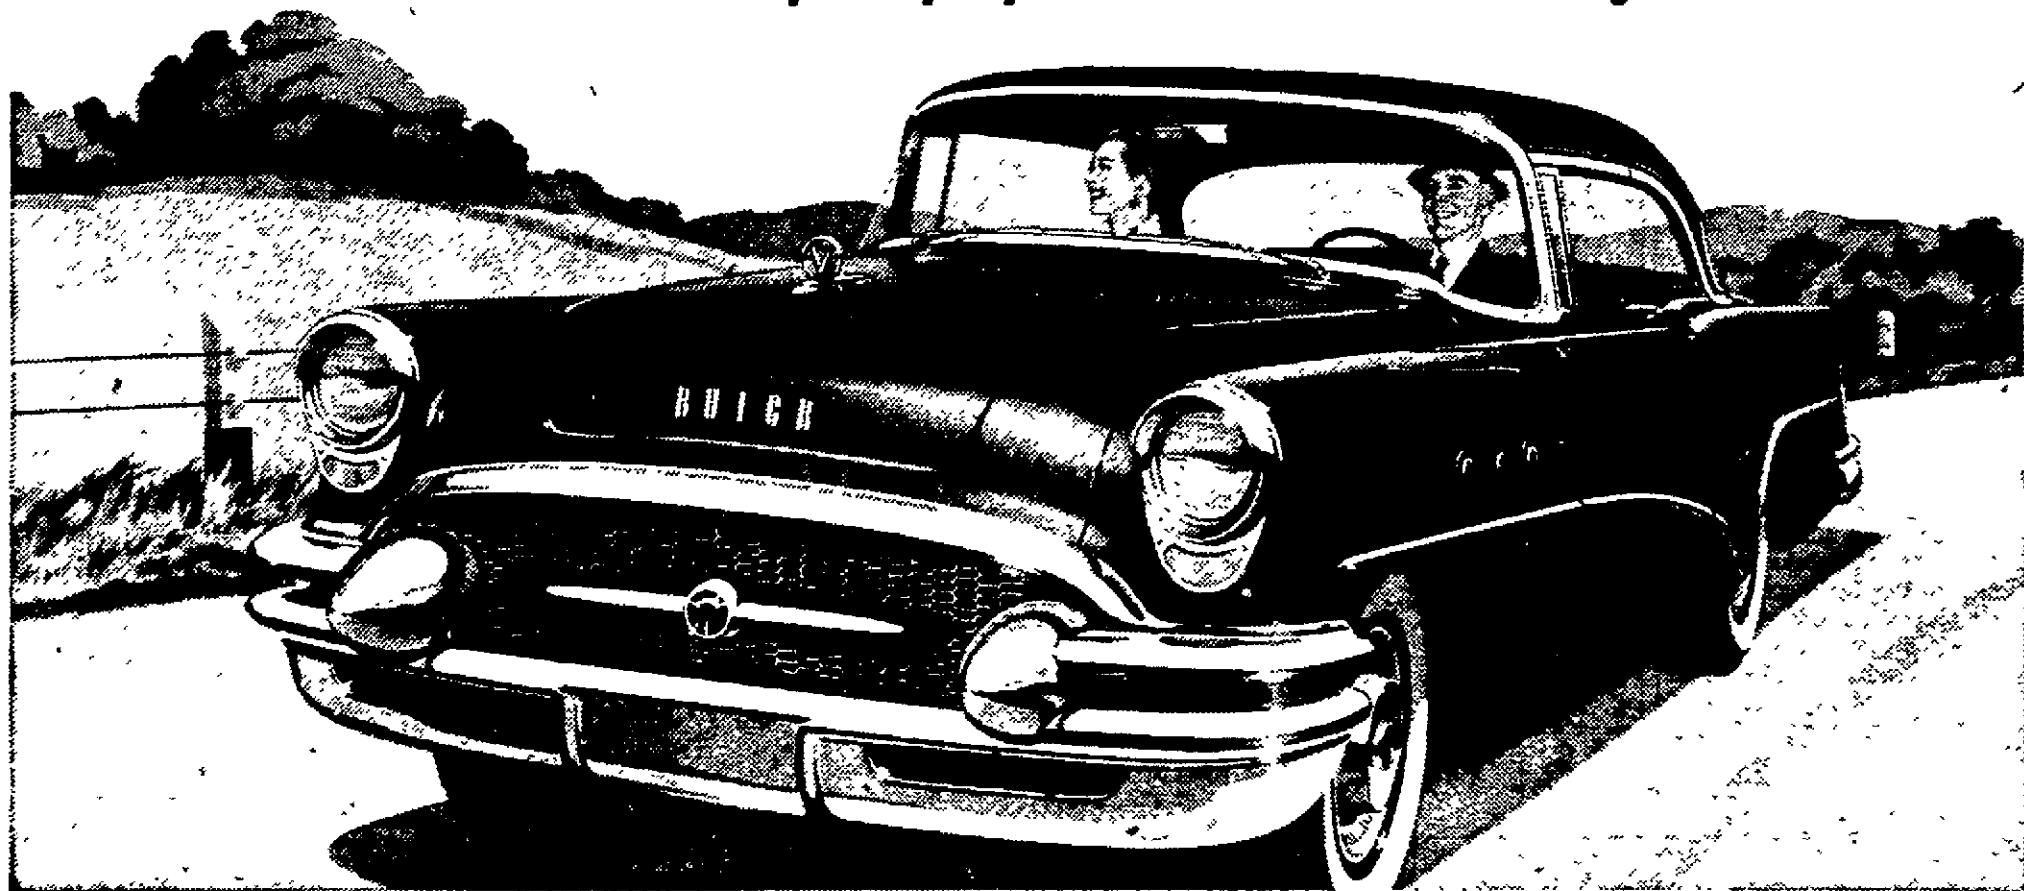

CHAPIN & GORE STRAIGHT BOURBON WHISKEY, 50 PROOF. THIS WHISKEY IS NOW 6 YEARS OLD. Distributed by McKesson & Robbins, Inc., NEW YORK

A SWITCH OF THE PITCH

-AND AWAY YOU GO!

The biggest sensation in years is what

"variable pitch propellers" have done for Dynaflo Drive*

It happens like this. You need pickup—and pronto. So you get it. You get it by pushing the accelerator pedal of a 1955 Buick all the way to the floor board.

Then—without jerk or lag or lurch or pause—you get action! You get action whether you're just starting off—or asking for a safety-surge of power out on the highway.

There's nothing like it in past experience—because there has never been anything like it in an automobile before.

This is action that comes from the principle of variable pitch propellers used on modern planes. Their propeller blades change "pitch" for take-off—and cut hundreds of feet off the time required to lift a plane from a runway.

And the amazing fact is—in a 1955

Buick Dynaflo Drive there are 20 little propeller-like blades that also change their pitch, just like the propeller blades of a plane.

This is a transmission engineer's dream of heaven. A build-up of momentum as smooth as flowing oil—and almost as quick as lightning—plus better gas mileage in cruising range. It's what the whole automobile industry has been shooting for—and Buick has it.

So, that means

Buick Power Hits New Peaks!

236 HP in the ROADMASTER
236 HP in the SUPER
236 HP in the CENTURY
188 HP in the SPECIAL

—and all with better gas mileage to boot!

there's only one thing for you to do. Try out a 1955 Buick, and soon.

Try it out for quick action, as we've mentioned. Try it out for room and comfort and ride. And by all means, cast an admiring eye on its style—for it beats the high-fashion Buicks which set the pattern in the successful year just ended.

We're waiting and eager to hear from you soon. So drop in—or give us a call. We promise you a thrill that no other car can deliver.

*Standard on Roadmaster, optional at extra cost on other Series.

Highway Accidents Claim 4 More Lives

Fairbury Pedestrian, 84, Is Among Latest Victims

Nebraska's 1954 highway death toll rose to 294 with the addition of four more fatalities to the list. This figure compares with 318 at this time last year.

The latest victims:

Arthur Milby, 84, Fairbury.
Earl H. Grass, about 38, Chadron.

Roger H. Koehne, 31, Lincoln.
Ernest Brown, 59, Stapleton.

An unusual car-pedestrian mishap at Fairbury claimed the life of Milby, who died at a Fairbury hospital of head injuries, according to an Associated Press dispatch.

Driver Absolved

The auto involved was driven by Dave Isaac, Fairbury, who was absolved of blame by Police Chief Joseph Cook.

"It is very doubtful if the car ever touched Milby," Cook said. The accident occurred about 80 feet from an intersection as Milby was crossing the street. The man apparently stepped in front of the car, Cook said.

The chief theorized that the auto struck a cane carried by Milby, and, without its support, the man fell to the street and struck his head on the pavement.

First Death Since '52
It was the first traffic death in Fairbury since 1952.

A retired contractor and railroad man, Milby is survived by a son, George of Texas, and two grandsons.

Koehne was killed Tuesday as two semi-trailer trucks sideswiped on the crest of a hill south of West Point. The road was icy and it was snowing at the time, observers said.

Grass, a Chadron rancher, was killed near Chadron when the pickup truck he was riding in was in collision with a Chicago and North Western diesel passenger train.

Seriously injured was Donald

Christensen, about 27, Chadron farmer, who suffered two broken legs and a broken arm. Hospital attendants said Christensen was holding his own, but has not regained consciousness since the accident.

It was not determined who was driving the truck.

An Associated Press dispatch said the vehicle had just turned off Highway 20 onto a county road east of Chadron when the crossing accident occurred. The train was eastbound.

Brown, a Lincoln County road worker, died in a North Platte hospital of injuries suffered in a truck accident.

State Patrolman Jack Sexton said the dump truck driven by Brown overturned in a ditch at a curve on State Highway 40 just south-east of Stapleton.

Loan Believed Assured For Sidney Plant

SIDNEY, Neb. (U.P.)—"Considerable assurance" that the Tri-State Generation & Transmission Association will get a \$10,500,000 loan from the Government for construction of a steam generating plant has been given G&T officials by high Federal sources.

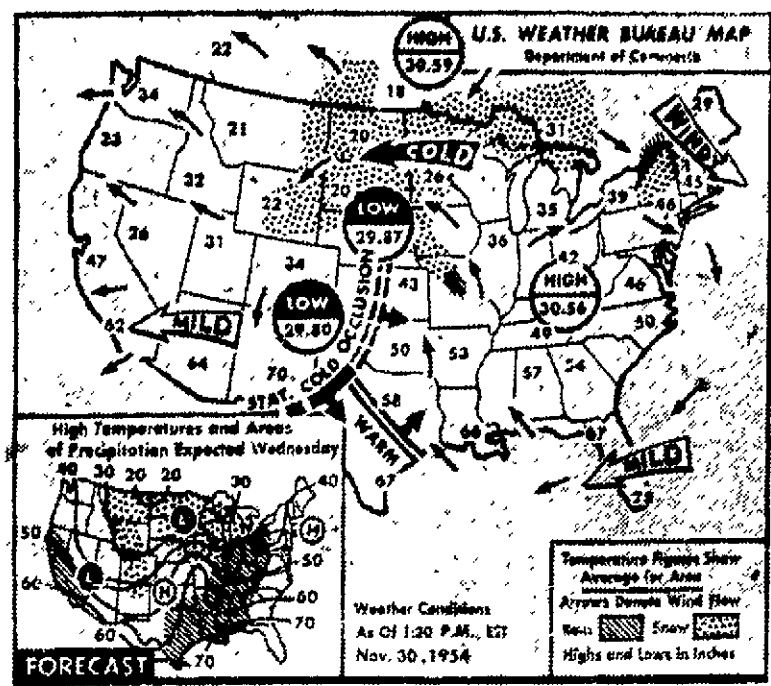

Charles Ham of Sidney, vice-president of Tri-State, said a series of meetings between the two parties has been held in Denver and Cheyenne.

"We were given considerable assurance we would get the loan because there is no other power supplier in the area capable at the present time of taking over the requirements of our expanding system," Ham said.

25 REAS

Tri-State is composed of 25 REAs in western Nebraska, northern Colorado and eastern Wyoming. It purchases power from the Bureau of Reclamation, but within a few years, the Bureau will be unable to meet the power supply demand. Thus the need for the steam generating plant.

Location of the plant is still up in the air, but it was indicated Sidney and Gering locations no longer are being considered among the top sites for a number of reasons, prime one being fuel costs.

Colder With Snow Diminishing

Rain will fall Wednesday from the Gulf coast northward to the Ohio valley. Snow is expected in the Great Lakes region and westward to the northern Plains. Snow flurries are due in the Rockies. Rain will fall in most

of California. The rest of the country will have fair weather. It will become warmer in the eastern part of the country. It will be colder in the Plains states and it will continue cold in the northwest Pacific region. (Air Wirephoto Map.)

State Deaths

Mrs. James Welch, Nebraska City, Dies

NEBRASKA CITY—Funeral services were held here Tuesday afternoon for Mrs. James Welch, 89, who died in a local hospital. Born near Lorton, she lived in Dunbar before coming to Nebraska City at the time of her marriage in 1887. She was a member of the Presbyterian Church and the Veterans of Foreign Wars Auxiliary. Surviving are her husband; a son, Harold of Nebraska City; a brother, William P. Montgomery of Nebraska City, and a half-brother, Fred Montgomery of Poncha Springs, Colo.

Mrs. George Brooke

OSCEOLA—Funeral services were held here for Mrs. George Brooke, 51, of Scottsbluff, formerly of Osceola. She had been in poor health for the past two years. Surviving are two daughters, Mrs. Catherine Goren of Scottsbluff and Mrs. Mildred Goren of Scottsbluff; three grandchildren, and one brother.

Mrs. Edwin Lee

SCHUYLER—Funeral services were held here for Mrs. Edwin Lee, 79, who died at her home after a lingering illness. Surviving are her husband, Mr. Edwin Lee, Harold, both of Schuyler, and one daughter, Mrs. Alora Otterhoff of Lindsay.

Mrs. Daisy Hartley

YORK—Word has been received here of the death of Mrs. Daisy Hartley, 85, of Wheatland, Wyo. She was a former York resident. Born and reared in the Benedictine, she and her husband, Frank, left York about 30 years ago. Surviving are her husband, three sons, Donald of Denver, Paul of Elwood, and one daughter, Mrs. Mildred of Wheatland; one sister and three brothers.

Mrs. Maude Gilbert

PHILLIPS—Funeral services were held at the Methodist Church here for Mrs. Maude Gilbert, 87, resident of the Phillips community for more than 50 years. She died at her home here following a long illness. Born in Pawnee County, she taught in Pawnee, Phelps and Buffalo Counties before her marriage. She and her husband had been married 56 years. Surviving are her husband, A. S. Gilbert; two sons, Floyd of Albuquerque, N. M., and Raymond of Grand Island; two daughters, Mrs. Albyr Purdy of Phillips and Mrs. Albyr Purdy of Phillips; four sisters, seven grandchildren and four great-grandchildren.

Milton H. Willard

MILLER—Funeral services were held here for Milton H. Willard, 65, resident of Buffalo County. Born in Missouri, he came to Nebraska as a small boy and lived in this area for many years. Surviving are his wife, Scratching; one daughter, Mrs. Virginia Hutchins of Mason City; one son, and one brother.

Truckers Will Pay But Need Fair Taxes

DES MOINES (U.P.)—"The trucking industry must be prepared to pay its full share of the rebuilding and maintenance of the nation's highways but it also must have a fair and equitable tax structure," Lieut. Gov. James J. Blair, Jr., of Missouri said here Tuesday.

Blair addressed a nine-state motor vehicle reciprocity meeting sponsored by the Iowa Highway Users Conference.

Blair told the meeting however that reciprocity agreements on motor vehicle taxation "simply must be worked out in order to permit a free flow of commerce on the highways."

Russell Mac Cleary, Washington, manager of state services for the National Highway Users Conference, discussed recent tendencies of some states to adopt ton mile and axle mile taxes on trucks. Mac Cleary said that "although the ton-mile tax sounds good in theory it has proven very difficult to administer."

States represented in addition to Iowa were North Dakota, Minnesota, Wisconsin, South Dakota, Nebraska, Kansas, Missouri and Illinois.

Community Chest 'Should Continue'

HASTINGS, Neb. (U.P.)—Some 50 Hastings business and civic leaders met Tuesday morning and agreed that the Hastings Community Chest should be continued.

A special committee headed by Dr. Dale Welch, president of Hastings College, was appointed to work out an approach for completion of the 1954 campaign, which now is \$10,000 short of its \$45,000 goal.

It was felt by the group that should the plan devised by this committee prove unsuccessful, the community chest idea then should be abandoned and each of the six participating agencies conduct its own campaign.

Last year the community chest fell \$5,000 short of the same goal. The last time it reached its goal was in 1948.

Rickel Retiring From Long Postal Career

HASTINGS, Neb. (U.P.)—Assistant Postmaster A. Lyle Rickel of Hastings, whose family has been in postal service since the administration of Abraham Lincoln, will retire Wednesday.

Rickel, third of four generations in his family to serve as postal employees will have completed 44 years and one month of service in the postoffice here.

Grandfather, Dr. Michael Rickel, was postmaster at Pink Prairie, Ill., in addition to serving his community as a physician during the Republican administration of President Abraham Lincoln.

Father Started
Father, I. H. (Ike) Rickel, was postmaster at Juniata from 1897 to 1917. It was there he launched Lyle and two other sons, Roe and Earl, on postal careers.

Brother Roe was a postal clerk in Hastings from 1912 until shortly before his death in February 1953. Brother Earl was postmaster at Edgar when he died in 1927, having served in that capacity for a number of years.

Son, Ray E. Rickel, is the fourth link of the chain. The only child of Lyle Rickel has been a postal clerk at Neligh for the past four years after several years as a railway mail service clerk.

Grandsons Howard, 9, and John, 4, could provide the fifth link in the rare chain.

Started in 1910
The lengthy service of Lyle Rickel began at the Hastings postoffice

on October 1, 1910, at 30 cents an hour as a substitute clerk.

Postmaster Elton Pounds compared Rickel's starting wage with the \$1.61½ per hour at which subs start in 1954. He also added that in 1910 subs got a minimum of work while today they are virtually assured of a full week of employment.

Rickel has been a regular Hastings postal employee since he was appointed a clerk on April 20, 1911 at an annual \$600 salary. He became a special clerk on July 1, 1920 and was appointed clerk-in-charge on August 1, 1948. Rickel became assistant postmaster on January 16, 1950, and calls the duties of the job the most interesting because of the many phases of activity.

Big Gains
The Hastings postoffice now employs about five times as many men as when Rickel started work in 1910, but total receipts for those early years were little more than the volume for one 1954 month.

Rickel's 44-year career includes service under eight postmasters, beginning with Jacob Fisher, onetime mayor of Hastings. In addition he was employed for several years by his father, at the Juniata postoffice, giving him more than 50 years of postal service.

The first thing on the Rickel retirement agenda is relaxation, but he said a number of home tasks have been awaiting his attention as well as several hobbies—stamp collecting, amateur newspaper collecting and wooden coat hangers with advertising collecting.

Rate Hearing Set
The Railway Commission reported Tuesday a requested rate increase for the Kearney County Independent Telephone Company exchange at Norman, Neb., will be considered on Dec. 24. Interested parties have until that date to make known their views.

Wheat Generally Fine Despite Spotted Wind Damage

Good Rain Or Snow Is Needed

High winds last week caused a little spotted damage to wheat in Nebraska but the crop generally continues in fine condition, government observers reported Tuesday.

There's still need of a good rain or snow before the plants go into the dormant stage, according to the State-Federal Division of Agricultural Statistics.

All but a very small per cent of the wheat has made splendid top growth and has good root development but the top growth has used up much of the top soil moisture, the weekly crop report noted.

Weather Helps

Other observations:

Dry weather has been favorable for pasturing corn stalk fields and gleaning the unusually heavy drop of corn. A few reports of corn stalk poisoning have been received.

Reports indicate quite a bit of fall plowing has been done. After high winds last week, there was speculation that too much fall plowing had been done as some soil was blowing.

Some seed potatoes have been moving south. Alfalfa hay also is being shipped to southern states, with prices up to \$25 a ton reported.

Fall seeded alfalfa and grasses are doing well but need moisture. Pasture conditions are unchanged but winter range has deteriorated.

Lots Filled

The mild autumn has been highly favorable for feeding cattle. Generally feed lots are well filled but there still is some hesitation due to the high price of feeder cattle.

Conditions have been favorable for the fall pig crop.

Weather last week was marked by winds, temperatures slightly above normal with no precipitation.

Surviving are her husband, Joe, and her parents, Mr. and Mrs. Rex Alfhouse of Gresham.

Chapman Given 90-Day Sentence

NORTH PLATTE, Neb. (AP)—LeRoy Chapman, 29, Tuesday was sentenced to 90 days in the Lincoln County jail after he pleaded guilty to a charge of carrying a concealed weapon.

The District Court sentence was made retroactive to the time of Chapman's arrest, nearly 60 days ago. He has been held since.

Chapman was arrested early in October. Capt. H. D. Robinson of the Nebraska Highway Patrol said a trooper halted a car in which three men were riding and found a revolver in Chapman's possession.

Robinson said Chapman was released from the Utah State Prison recently.

Emergency Cash Unit Drive Opens

Lincoln Star Special

ORD, Neb.—The Ord Volunteer Fire Department opened a drive this week to raise funds for the purchase of an emergency crash unit.

The unit will consist of a panel truck equipped with stretchers, resuscitator, welding torches, wrenches, jacks and first aid equipment. The unit is expected to cost approximately \$1,500 and will be used in cases of serious car accidents and emergency aid in other types of accidents for fire victims.

Rev. Rangeler Accepts California Post

The Rev. Ralph E. Rangeler, shown above with his wife, has resigned as pastor of Trinity Lutheran Church at Beatrice to assume the superintendency of California Lutheran Home for the Aged at Alhambra, Calif. Formerly home superintendent of Tabitha Home at Lincoln, he has been pastor of the Epitaph church since 1949. The Rev. Mr. Rangeler is past president of the Beatrice Ministerial Association, a member of the Beatrice Kiwanis Club and of the YMCA. (Star Staff Photo.)

Former Revenue Official Woolf Makes Grand Jury Appearance

OMAHA (AP)—William M. Woolf, Washington attorney and former chief of the intelligence division of the Internal Revenue Service, appeared before a federal grand jury in Omaha Tuesday.

The grand jury reportedly is looking into tax cases in St. Louis that date back to the previous administration.

Former Chief

Woolf served as chief of the intelligence division of the Revenue Service for 11 months during 1952 supervising the government's handling of tax evasion cases. He was succeeded by Frank W. Lohn, who subsequently became Omaha Regional Commissioner and only recently resigned from that post.

Lohn waited outside the grand jury room Monday without being called. He was not outside the jury room Tuesday.

Thomas E. Scanlon, district director of Internal Revenue at Brooklyn, was before the grand jury again for the second day. The Omaha World-Herald quoted "informed sources" as saying the

Services At Blair For Mrs. Nemetz

BLAIR, Neb.—Funeral services for Mrs. Fred Nemetz, 68, of Los Angeles will be held at the Congregational Church at Blair Wednesday at 2 p.m. Her death came unexpectedly at her home in Los Angeles.

Surviving are her husband; four sons, Dewey of Blair, Clifford of Venice, Calif., Freddy of the U.S. Navy and Donald of Addis Ababa, Ethiopia; and one daughter, Mrs. Max Bain of Blair.

2 Nebraskans On Knowland's Prisoner List

WASHINGTON (AP)—The names of two Nebraska Catholic missionaries were among 26 American civilians listed by Sen. Knowland (R-Calif.) as still held in Chinese communist prisons.

The list had been made public earlier.

The Nebraskans are the Rev. Fulgence Gross, 51, Omaha, Franciscan priest and Bishop Ambrose H. Pinger, 57, a native of Lindsay, Neb. Bishop Pinger also is a Franciscan.

Both were put under house arrest in 1951.

Former Nebraska Minister Is Dead

CHAPPELL, Neb.—Funeral services were held at the Zion Lutheran Church here for the Rev. Benedict Schwartz, who died at his home in Truth or Consequences, N. M.

He was pastor of the Chappell Zion Church from 1929 to 1944, and served at Fairbury several years.

The Rev. Mr. Schwartz is survived by his wife; son, Dan, at home; and five daughters, Beulah of Truth or Consequences, Mrs. Bob Aden and Mrs. Elmer Ebke, both of Chappell, Mrs. Donald Wendelin of Lincoln, and Miriam of San Diego, Calif.

Wm. E. Hugil, 64, Lifelong Resident Of Wahoo, Is Dead

Lincoln Star Special

WAHOO, Neb.—Funeral services for William E. Hugil, 64, lifelong resident of Wahoo, will be held at 2 p.m. Thursday at the First Congregational Church here.

He died at his home after an illness of several months.

After retiring from farming, he entered the insurance business in Wahoo.

Surviving are his wife, Anna, and a son, Richard of Muscatine, Ia.

TASTY TREAT

Kuner's Wax or Green Beans with Sweet-Sour Sauce

No. 303 can Kuner's wax or green beans	1 T. finely chopped sweet pepper
3 strips bacon	1 T. sugar
1 T. vinegar	½ t. salt
4 T. finely chopped onions	¼ t. pepper

Heat beans. Drain off liquid. Save for sauce. Cut bacon into small pieces. Fry until light brown. Add liquid from beans, vinegar, onion, pepper and seasonings. Blend. Pour over beans. Keep hot. Let stand 10 minutes or more before serving.

for that wonderful high altitude flavor

Appetites soar when you serve Kuner's wax or green beans—the youngest, tenderest of the choice high altitude crops. Grown one mile closer to the sun, carefully selected, speedily packed, Kuner's beans have better texture, better flavor. Try them in this easy-to-fix recipe as a special treat.

Kuner's *Flavor!*

Two Young Iowa Girls Take Top Exposition Honors

Grand, Reserve Champ Steers Bring Pride To Teenagers

CHICAGO (INS)—The top honors in the 55th Annual International Live Stock Exposition—the grand and reserve champion steers—were taken Tuesday by steers entered by two young Iowa girls.

The grand champion was Shorty, a black 1,080-pound Aberdeen-Angus shown by petite brunette, 16-year-old Janice Hullinger of Manly.

The reserve champion honor went to Sally, a 1,120 pound summer yearling raised by 15-year-old Barbara Claussen of Spencer.

It was the first time in the history of the exposition that both purple ribbons were taken by steers brought to the peak of condition by teen-aged girls.

Shorty won the junior grand championship and was adjudged the best summer yearling before besting all other steers in the senior competition.

Pretty Janice was the second girl to take the grand championship. Sue White, 18, of Big Spring, Tex., won the honor last year, also with an Angus, which sold for more than \$20,000.

Janice, taut and noticeably nervous during the judging, started crying when Shorty passed the first hurdle in the judging—being singled out by Judge A. D. Weber of Kansas State College.

When grand champion Judge Weber confirmed the honor by pointing to Shorty as the top steer, Janice really went limp. She was so weak she could hardly lead the huge animal out of the lineup.

Fighting to regain her composure, Janice hugged Shorty and sobbed:

"I didn't think he could do it. I was never so happy in my life." The reserve grand champion was adjudged the champion shorthorn of the junior feeding contest earlier in the show.

There were nine steers, of all ages and breeds, in the finals.

\$375 Prize
The top honor gave Janice a \$375 cash prize, two huge silver trophies which Janice is allowed to keep for a year, and whatever the steer brings at auction.

Usually the champion steer sells for a price far in excess of the animal's actual worth if he were sold through regular marketing channels.

Last year's grand champion, for instance, sold for \$20 a pound. Janice said she feels "very bad

Nebraskan Winner

Darlene Volmer of Howells, Neb., holds out a pig after winning a \$500 savings bond for topping the junior class in hog judging. (AP Wirephoto.)

about having to sell Shorty." However, she assured the sale and prize money will "be put to good use."

She explained:

"I am going to install a water system in my parents' farm house. That includes inside plumbing."

Shorty will be auctioned to the highest bidder Thursday morning. Chances are that he will bring a record price because Janice has been tremendously popular at the show. The gallery gave her the biggest ovation of the day when her animal won the top honor.

Rites Thursday For Miss Gillispie

The funeral of Miss Ethel Gillispie, 80, of 2636 Q, who died Tuesday, will be 2 p.m. Thursday at St. Mary's, the Rev. David Grace officiating. The burial will be at Wyuka.

Born in Pennsylvania, she was reared at Republican City. She was a commercial teacher at Sioux City, Ia., before coming to Lincoln.

Miss Gillispie was a member of the Episcopal Church.

Lutheranism Followed U.S. Move West

Immigration stimulated churches in Germany in the 19th Century to follow up immigrants to the United States with spiritual ministry, Dr. Gerhard Ottersberg said here Tuesday.

Dr. Ottersberg, of Wartburg College, Waverly, Ia., discussed the early beginning of the American Lutheran Church with special reference to the Iowa Synod.

He presented the talks, called the C. C. Hein Memorial Lectures, to about 100 Lutheran ministers from Nebraska, Kansas, Oklahoma, Colorado and Iowa.

Dr. Ottersberg showed how as the United States developed westward during the 19th Century, the churches were challenged to keep step with that growth.

Wilhelm Loehe, a German, he said, organized missions in Ohio and Michigan and founded the Iowa Synod in 1854.

Dr. Ottersberg discussed the work of the synod in the midwest and west in the fields of education, missions, publications, charities and constitutional development and the position of the church in regard to theological controversies which affected 19th Century Lutheranism in America.

The lectures were held in conjunction with the 25th anniversary of the church which will be celebrated in 1955. The American Lutheran church was organized in 1930 when the Iowa Synod merged with several other groups.

G. E. Higgins Dies At Kansas City

Guy Ernest Higgins, 63, a longtime resident of Lincoln, died Tuesday in a Kansas City, Mo., hospital. His funeral will be held in Lincoln.

Mr. Higgins was born in Cass County and lived there and in Lincoln before moving to Kansas City 20 years ago. He is survived by two sons, Arthur J. Higgins of Lincoln; and George D. Higgins of Sidney, Neb.; and two daughters, Mrs. Herman Hummel of Lincoln; and Mrs. James Thomsen of Valparaiso, Neb.

Motor Fuel Tax Collections Up Nine Per Cent

State motor fuel tax collections for the first eleven months of 1954 ran about nine per cent higher than in the corresponding period of 1953, the Motor Fuels Division reported Tuesday.

The 1954 figure was \$28,753,480, compared to \$26,414,149 in the first eleven months last year.

Aircraft fuel tax revenue also is running ahead of last year. The total so far this year is \$332,572, compared to \$295,170 a year ago.

November gasoline tax revenue this year was \$2,650,001.

Cigarette tax collections in November were lower than in November, 1953.

Collections this month amounted to \$302,641, compared to \$315,513 in October and \$279,813 in November, 1953.

Briefs Asked In Federal Liquor Violation Case

The United States case against George Dewey Hunter, 56, of Lincoln, has been submitted for briefs following trial before U.S. District Judge John Delehant.

Hunter had waived trial by jury on the federal indictment charging he engaged in the business of a retail liquor dealer and wilfully failed to pay the special tax thereon between July, 1953, and Jan. 10, 1954.

Defense Atty. Herbert Baird largely conceded government testimony of alleged transactions involving the defendant, but contended federal statutes didn't apply to Hunter's case.

Gas Tax Suit Won't Affect Lancaster Now

The withholding of state gas tax funds distribution would probably not seriously affect Lancaster County "for up to six months," according to Lancaster County Engineer Louis Weaver.

State Treasurer Frank Heintze is withholding distribution pending disposition of his ex rel suit brought in Lancaster District Court against the 93 counties as defendants.

Some counties have said they will not be able to meet county highway payrolls and other expenses without the funds. Weaver anticipated no payroll difficulties and "if we do only what's necessary in the way of routine maintenance, we can get by for as long as six months."

Some help will be the motor vehicle registration fees, the bulk of which come in during January and February, he said.

Weaver said maintenance and new work has been scheduled during past so as to maintain "a good balance of funds."

"Our highway funds have always been in good shape," he said, but a prolonging of the situation would shrink balances, thus making it perhaps advisable to hold up contemplated maintenance grading and other projects planned for letting next spring.

Now the brightest floors are never washed!

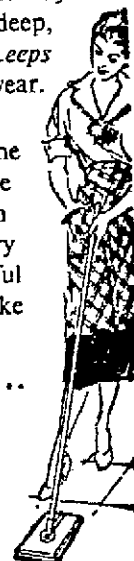

Bruce Cleaning Wax gets them sparkling clean as you wax!

You'll never know how bright your wood floors can be as long as soap and water washing dulls their natural beauty.

That's why Bruce, the world's largest maker of hardwood floors, perfected wonderful new Bruce Cleaning Wax. It dry-cleans floors actually cleaner than any washing, and leaves a deep, rich coat of fine wax protection that keeps its gleaming lustre through months of wear. All in one neat and easy operation.

Try Bruce Cleaning Wax, using the long-handled Bruce Doozit to do the entire job standing up. Or just use an ordinary cloth. Either way, the very first time will show you what a beautiful difference Bruce Cleaning Wax can make—or your money back.

also—try Bruce Floor Cleaner with lighter wax base for linoleum. Some prefer it for wood floors too.

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 4 or more, subtract 4. If the number is less than 4, add three. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key numbers. To spell out your fortune, read the message the letters under the checked figures give you.

BAERING DOWN ON THE NEWS By Arthur 'Bugs' Boer

All the returns are in from the rutting Univacs and the elite are the elect.

When the shouting and the tumult had been tuned down below neighborhood annoyance the mechanical calibrator stuck to its geared estimates.

In spite of the numerous protests by defeated candidates Univac stood mute. It has no reverse processes.

It counted out the high, the low and the middle. Governors went into its hamburger gullet. Its digestive juices dissolved senators. Its insatiable appetite for correct figures swamped congressmen and sent mayors to the slag-heap of the limbo foundry.

Fiorello LaGuardia said he didn't make many mistakes. But when he did make one it was a pip. Univac is as accurate as Jack Horner's thumb.

Politics is no place for a dilettante. That's an amateur with professional money.

(Copyrighted by International News Service)

At dawn Univac coughed up the end figures and Franklin the Twice was out like yesterday's egg shells.

The papers said the kid broke down and cried. This is the first intimation we had that Franklin Two took politics seriously. We always thought he was in there for laughs like a putty nose.

It sort of made us feel a bit remorseful for figuring he was sleigh-riding on his old man's toboggan-tails. The kid was leveling all the time.

Univac took a special transfusion of red ink for Franklin Junior. At midnight it looked like Franklin was in like the hay crop.

Univac took a special transfusion of red ink for Franklin Junior. At midnight it looked like Franklin was in like the hay crop.

Enrollment in Colleges Sets Record

10 Per Cent Increase Over Total Last Fall

WASHINGTON (AP)—The U.S. Office of Education Tuesday estimated college and university enrollment this fall at 2,472,000 students, the highest ever recorded.

The total compared with the previous record of 2,457,000 in 1949 and a 1953 enrollment of 2,251,000. J. Kenneth Little, deputy commissioner of education, commented:

"Except for the years immediately following World War II, when large numbers of veterans were attending college under the GI educational benefits, the 10 per cent increase in number of students this fall over last fall is the largest single-year increase percentage-wise since the mid-30's."

Gains in Nebraska

Increased enrollments over the previous year were reported by most Nebraska colleges and universities.

The University of Nebraska has 7,197 enrolled this semester; Nebraska Wesleyan University, 753; and Union College, 824.

Enrollment of the State Teachers College includes Chadron, 394; Kearney, 801; Peru, 391; and Wayne, 765.

News Meet Delayed

WASHINGTON (INS)—President Eisenhower will not hold his usual Wednesday news conference because of a meeting of the National Security Council, where he presides. It is uncertain whether Mr. Eisenhower will meet newsmen later this week.
